**HENNA TINTING, OUR SPECIALTY**  
 If you are thinking of having your hair hennaed, why not come here and let me do it, as I have made a specialty of henna tinting and can promise you that we know how to do it so that it will look right.  
 You have always longed for soft, fluffy curly hair and now—at last—you can have it. No more use for kid or silk curlers. Our permanent wave is something more, something different, something entirely unique. A surprise of beauty will have been performed not only you, but your friends will be astonished at the sudden transformation in your hair. No matter how straight, dull or unmanageable your hair may have been, just come here to the Hair Dressing Salon, operated by Bessie C. Long, 109 Beckley Bldg., opposite Hotel Seneca, Stone 5345 for appointments. Do not let your beauty be spoiled by neglecting your hair. No matter how you wear your hair, we will be able to prove to you after we have shampooed same you will be amazed and delighted with the results.  
 We will give you a facial treatment, treating same with pure cream and lotions which will build up the tiny muscles, restores the vitality to the tissues, stimulates healthy circulation of the blood, corrects skin malnutrition of no matter how long standing; and so nourishes the under-skin that it is ready when the time comes to take its place in the perfect complexion, new-born and beautiful.

**FANCY COSTUMES**  
 Plan now to get a fancy costume to wear at that Heart Party, Valentine's Party you are going to have. People have come to the conclusion that it is really cheaper and one can have better style by buying my ready to wear dresses, hats, flowers and slippers, made of crepe paper in the latest design and fashion. Come to my shop and be convinced of the styles and the conservatism of buying one of my costumes. I am located at 403 South Avenue and have a great many designs and patterns and if I have nothing made up to fit you, I will take your measure and will have one ready for you within a few days. The price is very reasonable, and one good thing about these dresses you have no fear of them having been worn before, as are the costumes you procure from the costume shops. If you should have the misfortune to tear or deface these paper costumes they are your own property and the cost in the beginning was such that you need have no bad feeling if it should be destroyed. I pride myself in being one of the first to make this a business and have found it a very successful one. I can also supply you with baskets and flowers for decorations for parties and dances. You will be greatly surprised when you see these paper creations in my shop. You are welcome at all times to come and inspect same.

**EVERYTHING FOR THE BUILDER**  
 Everything for the builder and contractor. In the hardware line can be bought here at George Kane's, 156 Lincoln Avenue. Tools and cutlery of all kinds. Paints, oils and glass. Builder's Hardware a specialty. We also sell clothes poles, mechanics tools. Special attention given to all our customers, new and old. We try to please all. A comparison of our prices will convince you that they are the lowest. We solicit your patronage having confidence in our ability to produce excellent results. The advantage of having placed the best of hardware in your home, adds greatly to its finished appearance.
