### At It Again.

Tne "Literary Digest" has built up a large circulation on the muchcirculated statement that it is an absolutely unbiased, non-partisan reproducer of selected opinions from all publications and publicists on both sides of controverted subjects of discussion.

Of late the "Digest" has shown unmistakable bias in its reproduction of very many attacks upon the Catholic Church, the den. nal Catholics.

Of course, when called to task the Digest protests vehemently that it overlooked or could not procure "the other side" of the question.
