Seasonable Millinery Creations. New Boots for Summer Season

The well dressed lady of the West side and many from the East side do not need our recommendation to know that the establishment of Mrs. J. A. Hind at 625 Main St. West, is one of the most up-to-date and best of its kind. Many Spring and Summer hats are being shown now even some for mid-summer. The prices are very reasonable and it would pay you to stop and inspect the fine line of hats showing here.

Have you purchased your new Summer Shoes? If not drop in at the Genesee Bootery at 188 Genesee Street. This store has a special offering of all kinds of men's, women's and children's shoes. The range in price from \$2.00 up and are of the very best quality and style. This store has also many special sales and they will be of benefit to you if you will watch for them and grasp the opportunity which they offer. They carry a full line of women's shoes at all times in the fanciest and plainest styles and in all color combinations, as they are wearing now and which are so much in vogue.

The colors for this season are especially brilliant and are obtainable in most any material, on this account all ages and sizes can be suited and still be in style the aim of every well dressed woman.

The Genesee Boot shop also carry a full supply of rubbers and scuffs, for grown-ups and children as well. When you are in need of shoes drop in and look over the supply here, the service is excellent and only educated salesmen are in attendance.

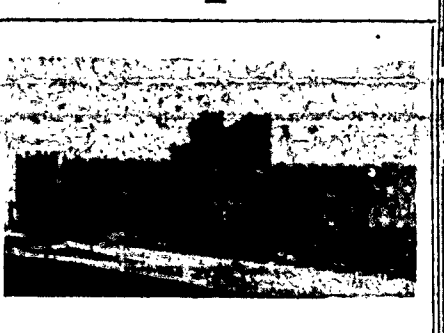

Drop in at this little shop before going way down town and see the lovely assortment, we feel you are sure to find just the hat suited to you, as this so often happens in smaller shops where you receive better service. Don't forget the address 625 West Main.

Why Risk Spoiling Your Trip?

HENRY! Why didn't you have your springs inspected when you got that car from perfection?

YOU'LL be driving a lot this summer, perhaps taking a long vacation trip. We hate to be gloomy, but just imagine a broken spring a hundred miles from the nearest spring service station.

The one of prevention may simply be a new shackle bolt or bushing or tightening of clips. Drive in and let us look 'em over for you.

You can get a copy of the latest Tourist Guide first time you come in.
