The George M. Clancy Carting Company.

The George M. Clancy Carting Company, which has its headquarters at 287 Webster Ave., is considered by many Rochesterians as the most solid concern which renders the best of carting service every day of the year.

This company is operating modern and well appointed motor trucks, and also rigs and are also equipped to move pianos and other large pieces of furniture. The vans are all equipped for cross country hauling and the company has given a very good account of itself in the rapid transferring of furniture, freight and merchandise, not only on short hauls but on out-of-town moving as well.

This firm are adhering to its old time principles of square dealing and dependability and have rightfully gained considerable recognition among the industrial, commercial, and private interests of Rochester and vicinity for fine class of service that they are rendering to the community.

You will find the prices are as low as can be possible, and if you call Stone 719 they will give you an estimate on your moving. This firm also has storage warehouses and the most sanitary and clean rooms are to store your goods.

The John Fricker Company.

Are you looking for the best practical Sheet Metal Worker in the city to do your repair work or work on your new buildings? We wish to recommend The John Fricker Company, who have their place of business at 10 Ely Street at the Corner of Minerva Place.

This company has built up a large business in and about Rochester and have the best of reputation. Their designs are many commendations from all those who employ them. They can execute any work that is required. If you are ever in need of anything call Stone 1149 and the best of service is guaranteed. At this time of year you are going over your buildings trying to locate the leaks and other damage done by the past Winter and Spring. If you find roofs or cornices

which need repairing call this company and either Mr. Fricker or one of his capable associates will take care of you. They will be glad at any time to give you an estimate on the cost of same.

They use galvanized Iron and Copper Cornices and do Roofing and jobbing and repairing of all kinds. This company also install steel ceilings in any and all kinds of rooms. Can you imagine that old room or store with a bright new ceiling? It makes all the difference in the world with a room if the ceiling is in good condition. Then too a steel ceiling lasts for ever. Try this firm out if you are in need of any of this kind of work being done.

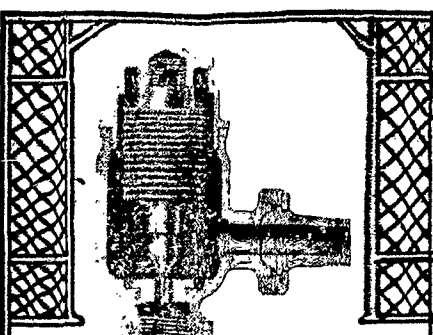

Memorials—Metal Grates and Tilings.

For a good many years Nell Bros. and Kern have designed and manufactured many of the beautiful memorials in Mt. Hope, Holy Sepulchre, and Riverside Cemeteries. They have always handled high grade Memorials at moderate prices. They are located at 238-240 State street and have on exhibition at all times a great many different designs from which to make your selection. If you have any design in mind that you particularly wish they will try to manufacture it for you. Call at their show rooms and inspect their designs or if this will be inconvenient you drop them a card and they will send designs to you.

They also carry a complete line of metal grates and tilings. A perfectly designed or constructed metal fireplace adds so much to most any room in the house, especially to the living room. And the well designed tiling either makes or breaks the room. Their designs are many commendations from all those who employ them. They can execute any work that is required. If you are ever in need of anything call Stone 1149 and the best of service is guaranteed. At this time of year you are going over your buildings trying to locate the leaks and other damage done by the past Winter and Spring. If you find roofs or cornices
