\$100,000 STATUE BRINGS \$50

Stallars Farmer Who Found Marble Torso of a Venus First Sold It for \$5.

The history of some pieces of marble which were found buried in a field at Sinnessa, near Naples, in ancient days... The fragments were apparently of no particular value and the farmer sold them for \$5.

BIRD ENTOMBED BY MARTINS

Sparrow That Had Grabbed Martin's Nest Is Made the Victim of Dire Revenge.

An English ornithologist, G. Garrett, makes a specialty of observing the manners and methods followed by birds... He recently recalled the story of a sparrow which, finding a newly built martin's nest, took possession of it.

Not in the least they immediately returned to the charge and, each of them having procured a little of the tempered earth with which they make their nests, they all at once fell upon the sparrow and inclosed him in the nest to perish there, although they could not drive him out.

The Split Infinitive

One thinks of that solemn warning against the enormity of the split infinitive which has done so much to aggravate the Phalarism of the bad writers who scrupulously avoid it.

Odd Way of Drawing Water.

I took notes while we were at Eps New Zealand, of a rather curious method of drawing water from the communal spring, half a mile from the village, writes Reginald Pountney in the Wide World Magazine.

Blueberries an Inch Thick.

A blueberry an inch in diameter is not a dream but a possibility. At the government testing plantations at Whitesbog, N. J., about 25,000 lbs. of berries have been fruited.

Needed Awakening.

A Yankee tourist was being shown over an old church wherein hundreds of people were buried.

She Would Hold the Ladder.

A very loving couple had just returned from their honeymoon. "Hello, dearest," said George. "I see there is some apparatus ready for cooking. Shall we go and put it together, love?"

HE WAS GAME TO THE LAST

Dying Book Agent Pleas His Profession With Borrowing Friends and Even Tackles Undertaker.

The book agent was dying. (They are tough, but they do die.) "It is hard, very hard," he muttered, "to have death come just as I had been given the exclusive right to canvass Haywood county for Ripon's Universal History—a work that was bound to sell like hot cakes."

HOW REED ACQUIRED TITLE

Why Famous Speaker of House Was Given Name "Czar"—Conduct Called "Russian."

Julius Chambers, at one time managing editor of the New York World, tells in his book, "News Hunting on Three Continents," how Thomas B. Reed, one-time speaker of the house of representatives, acquired the title of "Czar."

SHOWS EARMARKS OF AGE

Collector of Genuine Antique Furniture Knows Little Facts That Cannot Be Faked.

How long ago was the circular saw invented? If you aspire to become a collector of genuine antique furniture you should know the answer to the question. The circular saw was invented as far back as the year 1777.

Snapshots of an Eclipse.

Immense telescopic cameras forty and sixty feet long, gigantic reflectors and a number of smaller instruments will be moved into Mexico for the purpose of photographing the sun during its total eclipse next September.

San Felipe, 134 Miles South of the International Boundary, Has Been Selected as the Site of the Cogshall Expedition's Observation.

The Douglas expedition will take with it a forty-foot-focus camera which will reproduce the sun with a five-inch diameter. An even larger camera, with a sixty-foot focus, will be taken by the Cogshall expedition.

Strange Mirage Seen in Italy.

Images of hills, groves, buildings, ships and other objects in the vicinity, some erect and some inverted, are under certain atmospheric conditions seen in the Straits of Messina, between Calabria and Sicily.

Required Too Much Effort.

Mrs. Envie—And have you been in South America? Mrs. Newrich—Many times. In fact I know it from end to end.

The Difficulty.

"They say music makes the cow give more milk." "Still I imagine it is going to be difficult to persuade some of our temperamental artists to accompany a cow."

STAND TORTURE FOR BEAUTY

Many Paris Women Think Nothing of Having Their Noses Broken—and Resist.

Parisiennes are going to such lengths to achieve beauty as quite to put in the shade the painful operation of "dimpling" (making a hole in the chin by means of a drugged needle).

DERIVATION OF COIN COMES FROM SUCH WORDS AS "PANEL," "PANE," "COUNTERPANE," ETC.

In its original form the penny was not a coin, but a token or pledge. Its derivation comes from the same source as that from which we get the word "pane," and also such words as "panel," "pane," "counterpane," and "panicle."

HEROES REDUCED TO WANT.

The highest British decoration for valor in battle, the Victoria cross, does not necessarily pave the way to a good job in peace time.

Boob the Bookman.

Ima Boob got a job as porter in a book store and, during the absence of the proprietor and clerks, undertook to wait on a customer.

Lincoln Was a Whittier.

Whittier sticks and telling stories were Abraham Lincoln's resources. Bismarck's wife, when Beethoven's "Moonlight" sonata was being played, noticed the first tear in his eye, and felt "he is not so hard as he seems."

Root Cause of Nearly Every War.

During the World War a well-known French publicist was invited to address a large audience of children from the elementary schools of an American city.

"Santos" Coffee From Sao Paulo.

It is against the law now to label as "Java" coffee that does not come from Java or Sumatra. Real Mocha is grown in Arabia, and after the coffee became well known and very popular some unscrupulous dealers applied this name to coffee from other countries.

Volcanoes in United States.

While there are no active volcanoes in this country, there are a number of extinct or dormant volcanoes in the West. These include the San Francisco mountains of Arizona, Mt. Taylor in New Mexico, Mt. Shasta in California and the following peaks in the Cascade mountains: Pitt, Mazama, Union, Scott, Three Sisters, Jefferson, Hood, Adams, St. Helens, Rainier and Baker.

Origin of the Dollar.

The dollar was introduced into America by the West India trade before the Revolution. The coinage act of the 2nd of April, 1792, legalized it and established it as a unit of American currency.

STERLING AS APPLIED TO MONEY.

Sterling, as applied to money, is derived from the Hansatic league, which had an important house in England. As their land lay "to the east of England," Englishmen called them "Easterlings" and the gold they paid in the course of trade became known as "Easterling money."

HEROES REDUCED TO WANT.

The highest British decoration for valor in battle, the Victoria cross, does not necessarily pave the way to a good job in peace time.
