### Facts on the Hexo Asphalt Shingles

R. C. Merritt of 404 Jefferson Ave., who has specialized in shingles for many years is handling Hexo Asphalt Shingles exclusively and has been for a long time. Mr. Merritt is selling as many Hexo Shingles as all other asphalt shingles combined.

More asphalt shingle roofs are being laid each year, and Mr. Merritt says there are several reasons for this. Hexo Shingles cost less in the end. It costs less to apply them than wooden shingles, and Hexo Shingles will last twice as long as wooden ones. Altho wooden shingles will become black in a few weeks, Hexo Shingles will retain their beautiful color indefinitely and they add to the appearance of the house. This shingle has a heavy asphalt coated back which seals in the waterproof material.

Ninety percent of asphalt shingles are laid over wooden shingles. Mr. Merritt's trained staff do this work very skillfully, which eliminates the cost of tearing the old shingles off and does away with disfiguring the yard and dirtying the attic. Lead-calvanized nails go right through the old shingle and clinch into the roofboards.

Hexo Shingles are made in red, green, blue, black, and sunset, and the sunset is meeting with much approval. Five colors are blended on this shingle which does away with the old method of showing color combinations by having each shingle a different color. Some manufacturers have tried to imitate Hexo Shingles, but the genuine are individual and have a heavy asphalt coated back. Mr. Merritt's Telephone is Genesee 3774.

The science of Chiropractic does not classify the great family of nervous disorders under the different heads. It looks to the anatomy of the human system to find and adjust the spinal dearrangements that interfere with the natural action of nerve energy, which proceeds from the brain to every organ tissue and cell when there is no impediment on any of the nerve lines at the spine. By locating and adjusting these conditions the natural forces of the body will restore normal function and effect full recovery from nervous diseases.

Many having suffered for years with various ailments that would not respond to other methods, have regained their health through Chiropractic adjustment. This drugless method of health work has had many years of successful results to commend it. The Leve Brothers Chiropractors in the Ward Building will make an appointment with you at any time. ### A New Way To Get Rid Of An Old Trouble.

The great mistake made in dealing with Nervousness consists in drug treatment to hasten restoration of natural nerve function. Where this error is followed it will cause shock to the nerves and defeat the efforts the natural forces of the body are all the time making to relieve the sufferer and give rest to the already over-strained nerves.

Nervousness manifests itself in a good many different ways. People are fussy, fidgety, weak, emaciated and diseased as a result of it. Different symptoms have been classified to indicate what form of drug to use to combat them. The drug treatment has proven wholly ineffectual to perceptibly improve much less cure the nervous. There are over six thousand drug preparations in use and there is more sickness than ever.
