The J. C. Clancy Company

For years the J. C. Clancy Company has been giving service to many throughout the city and vicinity. They are located, now, at Webster Ave. corner of Grand Ave. and their resident location is at 111 Parsells Avenue. This carting company is one of the oldest companies in the city and does a variety of business, that of general trucking, express work, moving and the like, all of these are done speedily and efficiently.

This company does long distance moving as well as that here in the city. If you are located out of the city, in a city a thousand or only a hundred miles away, they will arrange to move someone else's furniture there and bring yours here on the return trip.

They have especially built trucks, capable of taking two or three men on the road so that your goods are always being watched and taken care of.

The trucking business is a big problem to solve and the Clancy Company have it solved as well as possible. Your goods are packed and taken care of as if they were their own and will always reach their destination in as good condition as they leave. If you are considering moving this fall even though it is only from the lake or some summer place call this company for their prices.

Hart's

Did you ever stop to think that the Hart Self Service Stores of which there are fifty in the city of Rochester, have made this the lowest price food center in the country? They have forced competitive chain organizations to sell their products cheaper making the Hart stores success a triumph for the housewives in this community. The city of Buffalo—one of the big food markets of the country pays prices higher than those in Rochester.

The success of the Hart stores has been achieved through the following idea. The distribution of food with the least overhead expense, the elimination of deliveries, large sale forces and expensive fixtures. In five years they have grown from a typical corner store to the biggest chain of stores in the city.

A tremendous buying power, and efficient selling organization, the best foods on the market, the lowest prices in the country, the greatest premium system in the world. This is the combination that has spelled success for this organization.

The achievement of fifty stores in five years, that is a successful business result. Each week they have special sales of which you should avail yourselves. Watch the papers and their add which appears elsewhere on this page.

Yalowich Brothers Drug Company

Most people who have lived in Rochester for a little time have heard of the Yalowich Bros. Drug Company at 390-394 Joseph Ave. This company have successfully conducted an old reliable and dependable drug store for years. People in the vicinity think of buying their drug and other sick room accessories at no other place. A thoroughly reliable prescription department is maintained by them and is of course a drawing card. They also carry the general line of pure drugs and patent medicines. In fact most anything in the line of supplies for the sick and ailing can be obtained here.

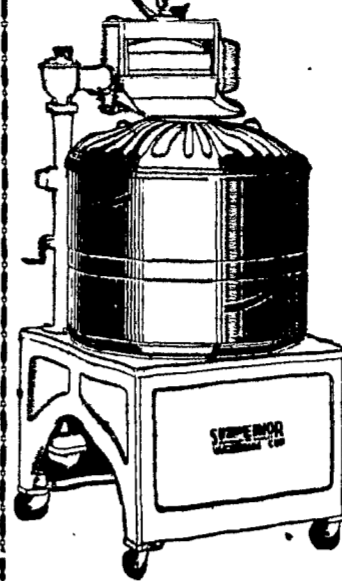

The Yalowich company have a department equipped with a complete line of Elastic and Spring Trusses of the Non-Skid type, the best anywhere. Also they carry abdominal belts, anklets, elastic stockings, knee caps, shoulder braces, crutches and the like. Each individual case is given very careful attention by persons who know their business. Examination is given entirely free of charge. Try them out.

The Prettiest of New Fall Hats.

At the McGarvey Millinery Store on Main street opposite East Avenue the new selection of fall hats have arrived for your approval. The selection has been made and assembled to meet the most critical tastes of the Rochester matron and maid.

The Hats this season seem more lovely than ever. Perhaps it is due to the beautiful colors which are being used in such abundance. The shapes are mostly small conforming to the shape of the head and face. However if you prefer a large hat you will find them too. Black is very good and many all black hats are seen. For the younger woman how ever the hat of varied colored silks, duvetine, and velvet is the thing. Flowers of the material are being used, as are feathers and bird's heads. Ribbon trimming is a favorite too.

At McGarvey's you may have a wide selection in children's hats. A special department is kept apart for them. Here one may pick up a pretty shape for the next summer season—worth while sales for the matron. At a reasonable price as sales are around older girls too, so watch their being carried on every day. There windows and make use of them.

DOLLARS and SENSE

Every successful business man owes his success to careful investment of his dollars—whether in merchandise or stocks. Simply wishing for opportunity to succeed never made any man successful. We offer right now an opportunity to put your dollars to work on a sensible basis—accumulative earnings on preferred stock and assured earnings on common stock (under our arrangement all stockholders share in surplus earnings)—it's deserving of careful investigation. The allotment of stock is limited, you pay no brokerage or other charges. Call or address.
