No Baranas

A well known Mississippi printer was fond of playing pranks. One day while riding with an illiterate man, he began gravely to chatter Italian to his driver.

"The man looked wildly at him, but said nothing. Finally the printer, in pretended piety, said:

"What's the matter? Why don't you answer?"

"I dunno what you'll is talkin' 'bout."

"What's wrong? Haven't you any brains?"

"Yessah, I got some brains, all right, but dey nint no use to me now."

Tripping the Philosopher

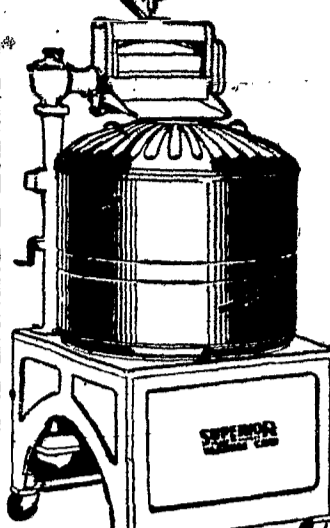

"I don't think your philosophy logical."

"Why not?"

"You say that every man is sent into the world for a purpose—that he has certain work to do."

"Yes, that I believe."

"And then you go right on and say that there is no man here that the world can't get along without—De-troit Free Press
