### Are Your Teeth Bothering You?

If you are suffering from aching and you have cavities which need attending to, call Dr. A. A. Brewster at 243 Main Street East. His telephone is Stone 4695. Make an appointment at an early date and save your teeth, and your suffering too. Dr. Brewster uses Nitrous Oxide and Oxygen to extract and to fill teeth. This is a drug that works on the nerves which helps the patient to bear the pain. Try this way and save your teeth without experiencing any discomfort.  
Remember Stone 4695.
