## LIQUID GRANITE VARNISH

Varnishes that are used on school buildings have to stand real service. Berry Brothers Liquid Granite "A" varnish was selected and used on the Madison and Jefferson Junior High Schools of this city for the reason of its high quality.

We have a varnish for every purpose. We especially recommend Liquid Granite "A" for floors and other work because it is waterproof and wears like iron.

A New Way to Rid Yourself of an Old Trouble.

One of the great mistakes in dealing with nervousness consists in a drug treatment to hasten the restoration of the natural nerve function. Where this error is followed it will cause shock to the nerves and defeat the efforts. The natural forces of the body are all the time making to relieve the sufferer, and give rest to the already over-strained nerves. Nervousness manifests itself in a good many different ways. People are fussy, irritable, weak, emaciated and diseased as a result of it. Different symptoms have been classified to indicate what form of drug to use to combat them. The drug treatment has proven wholly ineffectual to perceptibly improve much less cure the nervousness. There are over six thousand drug preparations in use and there is more sickness than ever.

The science of Chiropractic does not classify the great family of nervous disorders under different heads. It looks to the anatomy of the human system to find and adjust the spinal disarrangements that interfere with the natural action of nerve energy, which proceeds from the brain to every organ tissue, and cell, when there is no impediment on any of the nerve lines at the spine. By locating and adjusting these conditions the natural forces of the body will restore normal functions and effect full recovery from nervous disease.

Many who have suffered for years with nervous ailments that would not respond to other methods, have regained their health through Chiropractic adjustment. This drugless method of health work has had many years of successful results to commend it. Conduct your own investigation and learn the merits. The Love Brothers Chiropractors in the Ward Building will make an appointment with you at any time. Call them Stone 6712.

You will find Mr. Schroeder ready to meet all your clothing needs whether it be a new tailored suit for man or Miss or the repairing of your old one. If you have a soiled or faded dress you may bring it to this shop and have it cleaned or dyed one of the new and popular shades of the moment.

A Charming Shop For Women and Children.

At 599 Hudson Avenue you will find a very charming shop which caters exclusively to the smart women and to the Junior and small Miss. Mr. Kiener and his pleasing wife, give the nicest kind of attention to all those interested in looking their best.

Mr. Kiener has recently returned from New York, the city where fashions are made, with a complete new line of women's coats, suits, skirts and dresses.

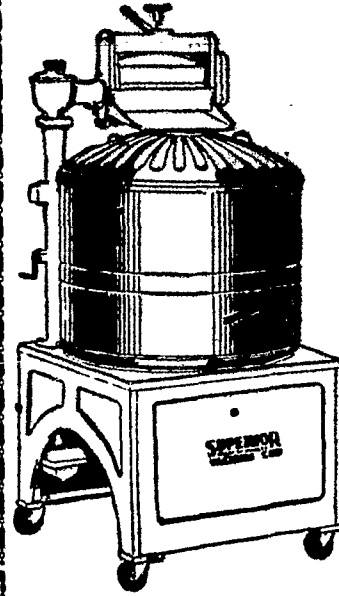

The coats this season are especially attractive. Brown is one of the most pleasing colors and it is a color that becomes most every one. These winter coats are trimmed with lovely soft Beaver fur and also other kinds of fur. The line of sport coats is very complete, showing the new plaid materials being worn so much this season.

The particular feature of this store however is that those women who are rather hard to suit and who wish something a little different may at their will select material there in the shop with Mr. Kiener's experienced help and pick the type of coat or suit from patterns and pictures. A large selection of material is kept on hand and the winter cloths for this year is lovely and different. The linings and trimmings may also be picked out right there too, beautiful fur trimmings from the less expensive ones to the very expensive are found here in quantities. Mr. Kiener keeps two or three helpers who are busy all the time making suits and coats to order. The stout ladies who have difficulty in getting fitted will find this shoppe their Mecca, as they are able to be fitted to measure and that means fitted right.

As may be found on inquiry, the prices here are nearly 50 per cent lower than in the down town districts, due to location, overhead, etc. Try this shop out when you select your fall and winter clothes. It will be well worth your while.

One shouldn't forget the Junior and small Miss when thinking of the fall outfitting. Mr. Kiener has made an especially nice selection of winter coats for them. They are made on the exact lines of their elders and trimmed with fur both on the collar and cuffs, but in miniature. Let the children select their own!

You will find it very convenient to be able to phone Stone 2646 and have your things called for and delivered to you when through, that we feel sure you will start this service at once.
