An Essential For the Luncheon

Are you planning a luncheon for the holidays? Or for Sunday night or some other festive occasion? The main dish of the evening should be those crispy, toothsome potato chips that are manufactured every day by Jim Williams at 10-12 Bronson Ave.

These chips have become very well known and in great demand. They are served on the tables of the people in Rochester who are particular about the kind of food they serve. They are always handy and easily made ready. They will melt in your mouth. They are the essential thing to accompany the serving of salads, cold meats, sandwiches, and drinks. This is so since they have a salty flavor which is just the thing to satisfy that salt craving.

These chips are obtainable at the stores of Brickell & Swartz at 41 Earl Street and at the Sagner store at 85 Tremont Street, besides at the place where they are made at Bronson Avenue.

Have some of the chips ready and on hand to serve when your relatives and friends drop in during the holidays, as they are sure to do. You will find these chips a blessing in the shape of something good to eat.

Give a Musical Instrument for Xmas. Does your boy or girl aspire to be a musician? Rochester affords many advantages to the child who is at all musically inclined. If children wish to learn this art while young they should be encouraged not discouraged.

Christmas gives one the opportunity to grant the boy or girl the wish for the desired instrument that he or she wishes to learn to play. The Hoffman Music Shop at 325 1/2 Joseph Ave. have on hand now ready for the holidays, a large and assorted line of instruments and their accessories. Drop in at once while there is still a good assortment and pick out your child's Christmas gift.

This shop also carries Victrolas, Sonoras, Player Pianos, and Pianos. These do not necessarily have to be paid for before Christmas. A small deposit will place the instrument in your home and you may pay for it at your leisure. This is an asset as most of us are short for money during the holiday season as there always seems to be a place where it is needed. A dollar bill fitted for some room which you are planning to have done for the holiday and you may have it to enjoy during the Christmas and New Year's festivities. This shop keeps open evenings and the business man can make the most of this opportunity, which gives him a chance to shop at his leisure. Remember 325 1/2 Joseph Avenue Hoffman's.

Have You a Leaky Auto Top?

Is your Auto Top Leaky and in bad condition? Do you know where to take it to get the best job of repair on it? The establishment of Mr. I. Shebel which was formerly on Franklin Street and who is now carrying on a big business at 53 North Plymouth Avenue, is noted as doing the best work along this line.

Mr. Shebel does work not only on auto tops but on curtains as well. This time of year when the weather is uncertain and we are not always sure when we are going to need curtains it is well to have them in readiness. Then too they are essential for warmth. The tops for Ford touring cars which you can obtain here at a fair price, are put on to you and guaranteed.

Drive around to this shop before securing your equipment and see for yourself the good workmanship, and the reasonable prices here.

The Lincoln Laundry Company. Clean clothes! Who of us doesn't like the sound of those words, and better still doesn't like the clean clothes themselves. People now a days are coming more and more to appreciate the need of clean and sanitary conditions. And of course clothes are considered as one of the first things to be clean.

This is where the modern laundry comes in to its own. We find that more and more the laundry is used as a means to cleanliness. They also save time and labor for the housewife. And as all of the up-to-the-minute laundries of to-day are conducted under the strictest sanitary conditions, clothes sent to them are returned clean and white and on time.

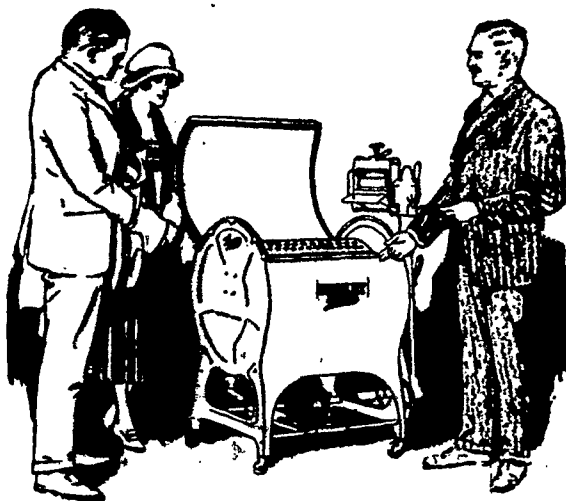

The Lincoln Laundry Company, Inc. do the best of laundry work. Will call for your clothes and deliver them in the time set by you. They are located at 89-93 Jay Street and their telephone is Main 4348. Call them and send your next week's wash to them. You will be satisfied and your clothes will be in good condition when returned.

NEW WALL PAPER

A lovely assortment of beautiful wall paper has just been received at the store of W. F. Whiting on South Avenue, for 1925.

The varied colorings and figures in these papers is especially attractive. On looking through the samples you are sure to find just the one you are sure to find just the one where it is needed. A Dollar bill fitted for some room which you are planning to have done for the holiday and you may have it to enjoy during the Christmas and New Year's festivities. This shop keeps open evenings and the business man can make the most of this opportunity, which gives him a chance to shop at his leisure. Remember 325 1/2 Joseph Avenue Hoffman's.

HURLEY

A THOR WILL BRING Christmas Every Week For Years

Here is the Thor—the washing machine that has ended washday drudgery forever in over 800,000 homes. Because of its famous revolving-reversing cylinder it cleans your clothes thoroughly and protects them from injury. A Thor will wash your clothes quicker, cleaner and easier than you can wash them any other way.

Hurley-built washers are the choice of over 800,000 women. One out of every five electric washing machines in use is Hurley-built! Every machine is backed by an iron-clad guarantee. Easy terms too! Just a little down, then monthly payments out of what the machines saves. Washday drudgery ended forever. See a demonstration today.
