**Flanigan Furniture
Company**
One of the high grade Furniture
Companies of the city is the Flanigan
Company located at 337 Driv-
ing Park Avenue. This company is
away from the higher rental dis-
tricts and can afford to allow some-
per cent on their goods. Just at this
time they have had large sales on
all kinds of furniture in order to
make room for their spring stock.
The lovely bed-room furniture
that they offer at reasonable prices
should be considered if you are in-
terested in furnishing your home as
it should be. The walnut suits in
plain or two-toned effect are very
nice and much in demand. Other
suits in oak, mahogany, and ivory
are nice too.
Walnut takes first place in dining
room furniture. The high buffets, be-
ing long and lower than heretofore.
They have a complete line and many
styles to choose from and from them
all you are sure to find one to please.
All sorts of living room and hall
and library furniture are in evidence
in the store. Lovely chairs and
tables and divans. Overstuffed suits
if you care for them and odd chairs
to harmonize with the other furnish-
ings of your rooms. A complete
house furnishing store in other
words awaits your inspection at the
Flanigan establishment.

**Firm Busy On New And
Old Furnace Work**
E. H. Knapp & Son Installing New
And Repairing Old Furnaces In
All Parts of The City
E. H. Knapp & Son are busy re-
pairing old, and installing new fur-
naces every day in all sections of
the city. In addition, the firm does
everything in the sheet metal work
line, including gutters, conductors,
roofing, and tin, copper, and iron
work.
Included in the lines of new fur-
naces handled by Mr. Knapp are the
Ajax made by the Co-Operative
Foundry Company of this city, and
the Cheerful Home.
Only expert workmen are em-
ployed at the Knapp shop—men who
know hot air heating systems, and
who are competent to install or re-
pair them. And, Mr. Knapp points
out, only the best of materials is
used on all jobs, thus insuring long
life to the installation or repairs.
The hot air heating system,
says Mr. Knapp, "is the most health-
ful, and the most economical. It
gives the heated air the proper
moisture, thus preventing colds, and
other diseases, and also, if properly
installed, saves coal. Our firm stud-
ies each individual job, and makes
the installation so that greatest
benefits will be derived from the
heating.
"There are many things to con-
sider in erecting a furnace which are
often overlooked, especially the fur-
nace must be located centrally, so
that the length of pipe will be even-
ly divided. This is always taken into
consideration by our firms, as well
as the details of convenience for the
home owner of placing the feed door
in such a position that it will be
easy to shovel in the coal, and to
clean the furnace."

**Attractive Hats In
Quantity And Quality**
Have you visited the McGarvey
store for your hats? The selection
of Spring and Summer hats that are
being shown there will surely meet
with your approval. This store is
situated, as nearly every lady shop-
per is aware, at Main Street East
opposite the East Avenue entrance.
The lovely hats that you will have
at this store to select from will sur-
prise and delight you. There are a
quantity of materials and colors to
choose from. The colors this Spring
are especially lovely. The lighter
colors predominating. If you do not
care for these however their is
black which is always good and
green and blue in numerous tones.
The line of children's hats which
this shop carries is very attractive
this year, many interesting shapes
and of different shades for the little
 tots. Call and see the stock, the very
well trained and appreciative sales
ladies will be glad to show you at
any time.

**New Shapes And
Styles For Spring**
With a new way for each new hat,
fashion heralds the approach of the
pussy-willow, the dafodil, and other
spring flowers and the allure of
springtime breezes.
There are Cloche shaped hats, the
rage of the partisan shape, with a
sauceiness that is quite alluring, tri-
corns and lovely flower covered and
draped hats.
All colors a riot of lovely tones
and trimming of flowers and colors
that suggest Easter-Joy and fresh-
ness most emphatically. You will
find all these new shapes and styles
at the exclusive shop of Miss Rose
Messerschmitt at 328 Main Street
East. Use the Elevator, the room
is number 310.
