Your Memorials Should Be Ready For Spring

There is no doubt but that fami-
lies desiring to place memorials in
cemeteries are anxious to have the
best the market affords and at the
same time to have them placed in
the ground at the proper time. This
can only be done when the memori-
al is purchased of reliable firms and
also of firms that can offer sugges-
tions. All of the memorials now be-
ing considered should be ready for
placing in the spring.

Trott Bros. Co. Inc., 1120 Mt.
Hope Avenue, Stone 3728, are wide-
ly known in this vicinity for their
work in this line. The winter months
are the best time to have such work
done and by placing an order now
the very best work can be done dur-
ing the cold months and everything
will be in readiness in the spring for
the placing of the memorial. Noth-
ing but the very best granite is
used in the making of the memorial
and combined with expert workman-
ship the results are absolutely guar-
anteed satisfactory. In placing the
order at this time there will be no
need for hurrying along the work
and it therefore can be done in the
most careful manner. The very eas-
est way to secure the proper memori-
al is to simply step into Trott
Bros. Co. Inc., office and show-room
at 1120 Mt. Hope Avenue, pick out
the design you wish and then forget
it for every little detail expressed
by you will be carried out. When in
the spring the memorial is ready
for placing you will be so notified
and the location explained. That is
all you have to do.
