**Clover Leaf Delicatessen**  
At 631 Monroe Ave., you will find a shop where good things to eat take the first place. All sorts of baked goods made under the most sanitary conditions and by the best known companies in the city are to be had and made fresh every day.  
The shop makes a special feature of their noon lunches and night dinners. These are served from soup to dessert at a very reasonable price, the whole meal being prepared in their own kitchens by experienced cooks. If you have once tried these delicious meals you would know and appreciate them. Many business people from other sections of the city drive to this shop for their noon meal, finding it the best place, to their thinking, in the city.  
The firm carries a complete and fresh line of both foreign and domestic canned goods, these include fish in all its different forms, lobsters, crab, sardines, and other well liked muscles. Cheese is carried in quantity and can be had in any strength to suit the taste. Other canned foods such as vegetables and fruit and fancy prepared food on hand in startling array.  
At this shop you will find your favorite salad prepared for you saving you the bother of getting the ingredients together and fixing it yourself and it has the home made flavor too.  
The store runs in connection with its other lines a soda and ice cream parlor. Here all kinds of drinks and ice cream combinations may be had. It is a popular rendezvous for the young people of that section of the city. When you are passing sometime drop in at this shop and see the fine line of 'good eats'.

**The Well Known Paige and Jewett Cars**  
We all envy the beautiful appearance of the Paige car when we pass it on the street. This of course is only the outside of the car, the inside mechanism is known all over the world to be one of the best. For years the Paige car has been owned and run by the most discriminating of people and they have always gotten the best of service from them. The Jewett which is put out by the Paige people has become a popular number from the people who can not afford the higher priced car and who wish a high class and dependable one. This car can be seen together with the several different Paige models at the Kubitz Garage and show rooms at 666 Blossom Rd. This garage is known throughout the vicinity for its excellent service, the mechanics know their business and time is saved, when work is being done there. If you are having work done on your car, having it cleaned and gone over before the summer rush, take it to this garage and the work will please you.  
See the line of cars at this garage before buying. It may save you time and trouble to say nothing about money.

Rolling stones usually roll down hill.  
The lawyer doesn't seem to care when life is full of trials.  
The sheik is very often the living picture of an unpaid tailor bill.  
Genius is nothing else but a great aptitude for patience.  
The most delicious pleasure is to cause that of other people.  
The slowest in promising is always the most faithful in fulfilling.  
The actual is limited, the impossible is immense.  
When you are forming new acquaintances, cultivate the old.  
It is a long road from the initiation of a thing to its finish.  
Humility is the light of understanding.—Bunyan.  
There is no small pleasure in pure water.—Ovid.  
Let him who has bestowed be silent about it. Let him who has received it tell it abroad.
