

Worthy Firms TO Patronize

HOW LONG WILL YOUR NEW CAR LOOK NEW?

Keep your new car looking new. Prevent quick depreciation. Make the original finish last indefinitely.

Berry's Auto Finishing Varnish is a surface-saver. It is made to withstand severe exposure and hard usage. It seals the original finish beneath its protective film. One coat is adequate.

Before "hair cracks" appear and luster disappears, take this simple, inexpensive precaution.

The KITCHEN CABINET

(© 1925, Western Newspaper Union.)

A man who is willing to take another's opinion has to exercise his judgment in the choice of whom to follow, which is often as nice a matter as to judge for oneself.—Oliver Wendell Holmes.

VARIETY IN COMMON FOODS

Chicken is so well liked that it may be served frequently and is always a welcome dish.

Chicken With Corn.—Scrub and clean a fowl well by using a handful of soda in the water, cut up as for frying, roll in seasoned flour and brown in a little hot fat. Lay the pieces in a baking dish and cover with milk, simmer slowly for two hours or longer, depending upon the age of the fowl. Season well when half cooked and add a cupful of corn (fresh) cut from the cob—canned will do. Serve the chicken with corn and the gravy poured around it.

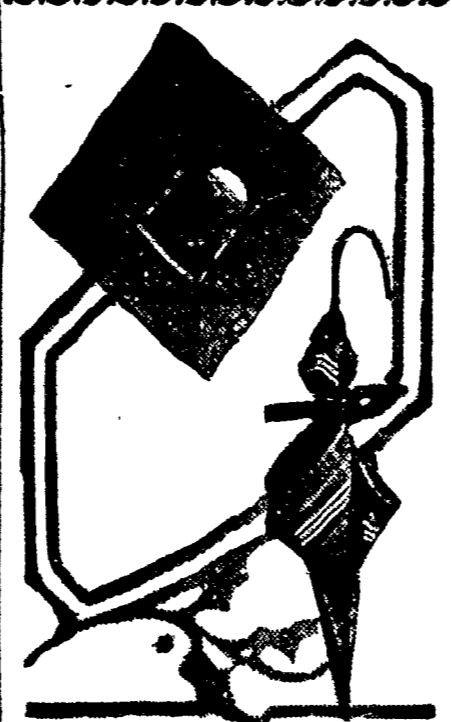

Parsian Sandwich Filling.—Soak one cupful of prunes over night, drain, remove the stones and put through a meat chopper with one cupful each of dates and figs. Add enough orange juice to make a paste that will spread easily. Butter Graham or whole wheat bread and spread with the filling. This will keep some time if covered, and is very good for a cake filling.

Mutton Broth.—Take three mutton bones, one tablespoonful of rice and six cupfuls of water. Add salt and simmer for five hours. Skim and remove all fat, add pepper and serve hot. This is especially good for children.

Mutton en Casserole.—Brown a pound or less of mutton cut from the shoulder, cut into serving-sized pieces. When well browned season with salt, pepper and dredge with flour. Add one cupful or more of carrots, a cupful of peas, and one onion. Place in a casserole to bake for several hours. Serve from the casserole.

Fried Green Corn.—Cut as much corn from the cob as will be eaten into a hot frying pan put a generous portion of butter and when melted turn in the corn and stir constantly until the milk has moistened it well. Season and set on the back part of the range to cook for five or ten minutes, then serve. A green pear finely chopped and added to the butter cooking a minute or two before the corn is added, makes a fine flavor, well-liked.

Nellie Maxwell
Novel Handkerchiefs

Here is a really new idea in handkerchiefs and a novel way of presenting this most popular of all gifts. A small, colored linen handkerchief has a tiny, square, embroidered pocket, hemstitched to it in one corner. The top of the pocket is pieced and it holds a little powder puff. A piece of bent wire, wound with ribbon and a small handkerchief tied to it make the clever miniature umbrella ready to hang on the Christmas tree.

Sulphur Vapor Baths Help Many.

The Sulphur Vapor Bath, invented and perfected by the famous Dr. Kruse, helps many people all over the country, and will continue to help them. There are now close to three hundred of these wonderful institutions in operation over the country.

Rochester has been fortunate in having one of these institutions, and it is operated by Mrs. A. Knight, at 139 Park Avenue, and the work done by Mrs. Knight, coupled with the sanitary and efficient service, make it a pleasure for Rochesterians and people living near the city to patronize her. The Sulphur Vapor Bath is the most scientific remedy known for Rheumatism, Lumbago, Neuritis, High Blood Pressure, Colds, La-Grippe, Nervousness, Kidney disorder and general run down condition.

This is not a Turkish or electric bath. It is a Sulphur Vapor Bath, a Health Restorer, Health Preserver, refreshing, strengthening and invigorating. Treatments are absolutely safe, and the results of same are always good at all seasons of the year.

These treatments are inexpensive and are within the reach of all, and may be taken while living at home, thereby eliminating the expense incurred by a trip to one of the famous health resorts.

In addition to the above, this institution also gives a scientific massage, and there is a separate department for ladies with a lady attendant.

Call Some 1403 for particulars, and Mrs. Knight will be glad to advise you.

The Auburn Car For Quality.

Quality stands have been rigidly adhered to for years and years in the manufacture of Auburn motor cars. No other method of construction is known by their engineers, superintendent, foremen and craftsmen.

The new Auburn models 8-Eighty-Eight and 6-Sixty-Six represent quality at prices heretofore associated only with mass production manufacture. Every unit has been inspected, tested and selected entirely for its fitness for the task required of it.

Service brakes on all four wheels are of the most improved type, mechanically operated by light pedal pressure, rear external contracting, front internal expanding, protected from water, mud and ice.

Long clutch of single plate type with moulded facings is used in both models. It is free from complications and requires no adjustment. Driven member is especially light, making gear shift easy.

The Auburn car is sold by the Combine Motor Corp., 312 East Avenue, Stone 4880, and you cannot go wrong on an Auburn car. The Auburn Wanderer can be quickly changed by one person from a regular Sedan to a sleeping car in a minute or two by just lifting two catches. This is, as great an improvement in motor-touring as the modern Pullman sleeper is over the covered wagon. This is the first time that such convenience as this has ever been available in a car of Auburn's quality.

The body is long and low for extreme comfort and roadability. Beautifully finished in two-tone lacquer. Brewster windshield. Upholstery of exquisite mohair. Dull silver finished interior fittings.

Stop in at the showrooms at 312 East Avenue, and courteous salesmen will be very glad to give you prices and also a demonstration of any particular style you wish.

Make This A Practical Christmas!

More and more people are beginning to realize that the practical gifts at Christmas time are more appreciated, and to prove this fact that is exactly what the majority of people buy—good practical gifts. If you want to make "her" doubly appreciative of the gift you are going to give her this Christmas, give her the money for an attractive dress or coat.

In buying a dress or coat you will want to get the very best possible value for your money, and you will want one that is both good looking and practical. Kiener's at 599 Hudson Avenue are offering some wonderful Christmas specials in the line of dresses and coats for women, and also children's coats. Mr. Kiener has but just recently returned from New York, and has the very latest in styles and materials.

Mr. Kiener will be very glad to show you his stock, and you are assured of very courteous and efficient service. Stop in, at his store at 599 Hudson Avenue, and see the very attractive display. If you do not see anything made up which you desire, you can pick out the material you would care for, trimmings, pattern, etc., and Mr. Kiener will make it up for you at a very reasonable price, and you are guaranteed satisfaction.
