**Popular Smaller Size  
 Oriental Rugs**

**For Gifts**

Made in the Orient and priced considerably less than they were imported to sell for.

Our Rug Buyer secured this lot from a large importer, at a figure considerably below their actual worth and selling price—which is, of course, passed along to you.

May be depended upon to land warmth and richness to a room; to strike the color note for decorative scheme; whether it is a cozy hearth rug you want, a large living room rug, or just a small hall rug.

**There Are Seven Distinct
