What's the Difference

between a truss that holds your rupture perfectly and one that does not?

Just This

With a truss that holds perfectly you are enjoying life—the inguinal ring is gradually getting smaller and while we never promise a cure your condition will improve under our treatment. With a truss that does not hold you are in danger of strangulation, the rupture is constantly getting larger because the ring is breaking down.

The Uncle Sam Truss will hold perfectly. Come in and let us tell you about it.

K. C. Choral Society Give Fine Concert

In its seventh annual concert and May party at Convention Hall, Tuesday evening, the Knights of Columbus Choral Society gave a delightful program with Miss Della Baker as soloist.

The "Pilgrims' Chorus," from "Tannhauser," and Strauss' "Blue Danube Waltz" gave the assembly of rich male voices its best opportunity. "Annie Laurie," with an individual tenor solo by Charles Sullivan, and "Old Folks at Home" with a baritone solo by Alexander Bayer, pleased an audience that filled the hall. "Raymond," an overture by Thomas, played by the orchestra, opened the program. Graig's "Discovery," with the solo part sung by Eugene Bopp, furnished the finale.

Miss Baker, soprano soloist, gave several groups of short selections. Her singing proved delightful, and she was compelled to respond to several encores.

The work of the chorus, under direction of Frederick C. Pohl, organist and choirmaster of St. Michael's Church, showed evidences of careful training. Following the concert program the annex was opened for dancing. The hall was decorated with flags and colored bunting.
