What's the Difference between a truss that holds your rupture perfectly and one that does not?

-Just This-With a trust that holds perfectly you are enjoying life-the Inguinal Ring is gradually getting smaller and while we never promise a cure your condition will improve under our treatment. With a truss that does not hold you are in danger of strangulation, the rupture is constantly getting larger because the Ring is breaking down.

The Uncle Sam Truss will hold perfectly. Come in and let us tell you about it.
