MEXICAN HIERARCHY MADE NO PROPOSAL

BY PRES. CALLES!

Mexico City, Sept. 24 - The Archbishop of Mexico City, Magr Jose Mora y del Rio, replying to a message from the N C W C. News Service, has issued a formal denial of reports printed in the American press to the effect that the Mexican Government is considering the return of the churches provided the hierarchy will sever all relations with Rome. Advised by telegram of this statement, the Archbishop

wired to the N. C. W. C. News Service as follows
"New York Tribune information absolutely false Calles has not made any proposal Episcopate strongly united to the Holy Father" This message definitely sets at rest all rumors to the effect the Gov exament offer might be considered seriously by some members of the hlerarchy and that Bishop Pascual Diaz had been called back to Mexico City by the Archbishop, at the request of Secretary Tejeda in order to confer on the subject

Meanwhile, all reports bear out the prediction of a prolonged deadlock in the conflict between the Catholics and the Calles Adminis-

ST. ANTHONY STILL WORKS WONDERS FOR HIS CLIENTS. Almost seven hundred years ago, after the death of Saint Anthony of Padua, St. Bonaventure composed a Hymn in his honor, the to the Faith In 1580 he was carried first lines of which run as follows 'The sea obeys and fetters break,

And lifeless limbs thou dost restore

When young and old thine aid implore.

Whilst treasures lost are found again.

Instead of the Wonder-Worker of Padua growing less powerful in his intercession with God on behalf of his Earthly Clients as the world grows older, it seems that his power is rather on the increase. Certainly the multitudes who invoke St. is over, which leaves the way clear Anthony in every part of the Catholic World are continually on the for the real fistic event of the year increase Its popularity is evident by the presence of his statue in well-migh every Catholic Church in the United States. But, there does Bil seem to be a single Shrine of the Franciscan Wonder-worker in America where so many petitions are presented to the intercession of St Anthony as in the Church of St. Francis on the Mount of the Atonement, Graymoor The number of these is constantly on the in-

crease. A New Novent begins evry Tuesday. Testimonials From Grateful Clients Mrs. W.A.C., Florida. "It became imperative that we sell the home which we bought here last fall, and through St. Anthony we succeeded although it was nothing sort of a miracle. When people ask me how I managed it I never hesitate to say, whether to Catholic or non-Catholic, that St. Anthony did it for me. So dear Father, I am inclosing the check I promised for the Bread Fund, and I would appreciate it very much if you would publish my thanksgiving."

V. L. B., Minn: "The inclosed offering is to be used for some good purpose in thanksgiving for a wonderful favor, namely, reconciliation place in the records of screen ring with a very dear friend. I can truthfully state that without the aid of Saint Anhony there would never have been any renewed friendship The dear Saint has done much for me and I will ever remember him and the Friars at Graymoor. May Our Blessed Lord grant that your good work will always continue.

H. M., Bridgeport. Conn: "Many blessings have come to me since I wrote asking your prayers in the Perpetual Novena to St. Anthony. My health has much bettered, I received entirely unexpected employment which, thanks to Our God Lord, I have been able to perform. and I have attained much peace of mind. I have continued the Novenas myself for I still need many graces, blessings and favors."

K. C., Vermont: "My father who had not been to the Sacraments in twenty years was taken very ill last spring. We had recourse to St. Anthony and are happy to say that the priest came, heard my father's confession and gave him Holy Communion next morning. We are all very thankful for the favor granted.'
