### Methodist Minister Advocates Catholic: Loses In Election

Detroit, Sept. 23.—Dr. Lynn Harold Hough, pastor of Central Methodist Church here, and nationally known in Methodism, who in a recent article in Plain Talk Magazine, advocated the choosing of a Catholic for President of the United States, failed of re-election as a delegate to the General Assembly, which was held in Port Huron last week.

Four years ago Dr. Hough was elected to the quadrennial conference of the Methodist Episcopal Church by a big majority of votes cast. This year he was a candidate for re-election, but was defeated, receiving only a few votes.

In the article, which appeared the day before the election of delegates, no name was mentioned by Dr. Hough, but the general belief was that the candidate he had in mind was Gov. Alfred E. Smith of New York.

The article gained widespread circulation and at the conference by being reprinted in the newspapers. It was not taken officially before the conference, and none of the representative leaders at the meeting would comment on it, nor would they deny or affirm that the article in any way influenced their individual or collective votes.

Mulligan, S. S. The Masters of Ceremonies were the Rev. Louis A. Arand, S. S., and John E. Hathaway. The Archpriest was the Very Rev. J. B. Tenny, S. S.

### Fr. John Bennett, Redemptorist, 76, Observes Jubilee

The jubilee celebrations took place at St. Mary's, Clapham, London, where he entered the novitiate 50 years ago. Father Bennett has been provincial of the English Redemptorists on three occasions.

### Bishop E. M. Walsh Installed In See Of Charleston, S. C.

(By N. C. W. C. News Service)

Charleston, S. C., Sept. 22.—The Rt. Rev. Edmund M. Walsh, newly consecrated Bishop of the Diocese of Charleston, was installed here today at a Pontifical High Mass in the Cathedral of St. John the Baptist. Bishop Walsh celebrated the Mass. The distinguished guests, who were born in Beaufort county, South Carolina, return to his native State after an absence of twenty years.

Accompanied by fifty priests and laymen for part of his trip from Savannah, where he was consecrated on September 8, and later by several hundred of his people through the streets of Charleston, Msgr. Walsh received an impressive homecoming greeting yesterday afternoon.

Following the Mass today a luncheon was served for the attending clergy, and tonight a public meeting was held in his honor.

Bishop Walsh, who is but thirty-five years of age, and enjoys the distinction of being the youngest member of the Catholic Hierarchy in America, lived in Beaufort county until he was 14 years old, when he was taken by his family to Savannah. There he spent the rest of his boyhood.

By his installation today, which makes him the sixth Bishop of Charleston, Bishop Walsh succeeds to the office held by the man who baptized him in his infancy, the Rt. Rev. Plinkney Northrop, fourth Bishop of Charleston. He immediately succeeds the late Bishop William T. Russell, who died last March.

In a message of homecoming and greeting sent to the Catholics of South Carolina on the eve of his installation, Bishop Walsh said:

"I am glad to be coming home and hope to be able to serve my people for many years."

### N. C. W. C. Historical Records Win Praise Of Col. Van Duyne

(By N. C. W. C. News Service)

Washington, Sept. 19.—Colonel F. W. Van Duyne, chief of the American Graves Registration Service, Q. M. C., in Europe, has just written to D. J. Ryan, director of the Bureau of Historical Records, N. C. W. C., warmly commending the work the Bureau has accomplished.

"A short while ago," Colonel Van Duyne's letter from Paris said, "I was pleased to receive from your representative here, Mrs. Bridget Harrison, complete war records containing the names and grave locations of the Catholic soldiers buried in our American military cemeteries in Europe."

"These records are very useful to us, as we frequently have requests from parents and friends visiting either our headquarters or the cemeteries, for the information they so conveniently contain."

"I desire to express my thanks and appreciation to the National Catholic Welfare Conference, and to you as director of Historical Records for furnishing this office with this valuable and useful data on Catholic soldiers who gave their lives in the World War, and are now buried in our military cemeteries in Europe."

### British General, Catholic, Is Dead

(By N. C. W. C. News Service)

London, Sept. 19.—Commander of a British brigade in Northern France during the world war when he was nearly 70 years old, Brigadier-General Archibald Campbell Douglas Dick, C. B., C. M. G., died this week at the age of 80.

He was a very generous supporter of Catholic works, and was largely responsible for the building of the church at Broughton Ferry, Forfarshire, Scotland, where he lived. The church's peak of bells was his gift in memory of his only son, an officer in the Scots Guards, who was killed in the war.

During the South African War General Dick commanded a battalion, and besides being mentioned in dispatches was made a Companion of the Order of the Bath. He was made a Companion of the Order of St. Michael and St. George on his return from France.

### Michael Williams Speaks At Canton Holy Name Rally

(By N. C. W. C. News Service)

Canton, Ohio, Sept. 21.—Five thousand persons from northern Ohio cities assembled at North Canton, a suburb of this city Sunday for the annual rally of members of the Holy Name society.

Msgr. Joseph F. Smith, vicar general of the Cleveland diocese, and Michael Williams, editor of the Commonwealth, New York were the principal speakers. Both referred to the importance of the Holy Name society as an aid to the Church in creating a spirit of reverence for the Holy Name.

Mr. Williams also referred to his recent visit to Rome where he was received in audience by the Pope. "I can tell you," he said, "that no rancher admires of the United States lives than the present Pontiff."

### KNIGHTS OF COLUMBUS Issued Weekly From the Publicity Bureau, New Haven, Conn.

### Pamphlet Prepared by Washington Councils Editor's Association Join to Purchase Park

Brother William R. Cullinan, President of the Knights of Columbus Council Editors' Association, announces preparation of a pamphlet, "How to Publish a Council Bulletin," for the use of Council officers requiring such information.

Brother C. Miske, Editor of "Topics," Maryland Council, Brother Dr. W. A. L. Stykes, editor of "Knightnews," Montreal Council, and Brother F. H. Orchard, editor of "Eleven Seventy-seven News," Suffern Council, collaborated in the work of getting the pamphlet together. The Council Editors' Association was formed in May, 1924, to encourage the practice of publishing and circulating, among members of subordinate Councils, giving abundant shade. Its semi-periodicals devoted to news concerning the Order, to assist the editors in the work of publication and to provide opportunities, at regular intervals, for interchange of ideas. Monthly meetings are held. Editors in all parts of the United States and its possessions and Canada are invited to join. Copies of the minutes of the meetings held in New York City will be sent to every member. All Councils publishing a paper, or contemplating such publication, will find membership in the Association extremely helpful. Full information may be obtained by writing Brother William R. Cullinan, 318 Bainbridge Street, Brooklyn, New York.

The creation of Columbus Recreation Park is the unique achievement of the Knights of Columbus Inter-Council Association of South-west, Washington. The Association is comprised of Chehalis, Olympia, Aberdeen, Tacoma, Willapa Harbor and Centralia Councils. The members of these Councils, banding together, purchased a park known as "The Orchard" as a recreation center for Catholic families and their friends. The park was then renamed Columbus Recreation Park. It contains 155 acres, with 1,100 feet frontage on Black Lake, four miles south from Olympia, off the Pacific Coast Highway, the park is heavily timbered, open spaces provide excellent spots for cottages. The development of the park is already well along. It makes an ideal recreation ground for the Catholic children of the vicinity. The entire project, in fact, was inspired with a desire to furnish the children with a suitable playground in the spring of 1926, when the Association was formed, a committee went out to look up a location for such a playground. But the committee came back with a park, a beautiful lake, picnic table, stoves, caretaker's residence and all the fixings. A splendid Catholic summer colony is the result. The officers of the Association are: Brothers John S. Lynch, President, James T. Quirk, Vice-President, T. J. O'Connor, Secretary, and Joseph Reder, Treasurer.

### Will Produce Film Story of Eucharist

Rev. Joseph Husslein, S. J., has completed the synopsis of a scenario, "The Hidden God," setting forth the doctrine and history of the Holy Eucharist. This will be made into a photoplay by the National Film Producers, Inc. of New York, at an estimated cost of \$500,000. The Rt. Rev. Francis C. Kelley, Bishop of Oklahoma City, the Rt. Rev. Joseph Schrambs, Bishop of Cleveland, and the Rt. Rev. Thomas J. Shahan, Rector of the Catholic University of America, are members of the editorial board which is assisting in the production of the picture. "The Hidden God" will be followed by a permanent series of specially prepared films for use by Catholic parishes and schools.

### Only 300 to Go

Returns for the new Directory of Council publications continue to arrive. We must have as many as fifty filed now. That leaves approximately three hundred Council papers still to be heard from. As these things go, it is impossible to do anything but report satisfactory progress. The simpler a thing is, the longer we postpone the doing of it. But if you have a Council paper, and haven't already let us in on the secret, won't you please sit down now, write out the name of the paper, the name and address of the editor and the number of your Council? Tests made at the Publicity Bureau, with carefully adjusted stop watches, proved that this operation won't occupy even a slow writer for more than one minute and ten seconds. That time includes the addressing, stamping and sealing of the envelope. If the missing three hundred arrived this week in one glorious batch, the writer of this appeal would promptly drop dead. But that doesn't bother an insurance member, so don't be delayed, by charitable motives, from sending the information asked to the Publicity Bureau, P. O. Drawer 1470, New Haven, Conn.

### Boy Work Note

The first Circle of Columbian Squires in the State of Michigan was instituted on September 13, at Iron Mountain, under the auspices of Baraga Council, No. 1585. Doctor F. O. Logie, of Baraga Assembly, Fourth Degree, chairman of the Boy Work Committee, trained the young initiation team and directed the ceremonies. Grand Knight Payant was an able assistant in the work.

When American Legion officials left Cheboygan for Paris to welcome the incoming hosts who attended their annual convention in Paris, they were accompanied by fourteen Knights of Columbus Secretaries armed with two thousand packages of cigarettes, two thousand post cards and stamps and a large supply of soap and boxes of matches. These articles were the very things the travelers wanted most and were the things most difficult to obtain in the rush and confusion of debarkation. The Legionnaire who wanted a package of cigarettes had them put in his hand. The man who wanted a post card to send back found cards and stamps waiting for him. Thousands of cakes of soap were distributed. Nothing, perhaps, was more appreciated. In Paris hotels, soap is not considered part of the room equipment. Many a weary man has filled a tub and looked in vain for soap. The thoughtfulness of the Knights of Columbus Secretaries spared many a veteran this painful experience.

### K. of C. Hut Popular at Legion Convention

The Knights opened their official activities at the Convention with a dinner at the Hotel Continental. The guests of honor were officials of the French Government and the Legion and Mayor Walker, of New York. Mayor Walker also visited the Knights of Columbus hut, in Paris, accepted a package of cigarettes and had a drink at the "bar," which was strictly "dry." The bar was popular with the veterans because all the regular American soda fountain drinks were on tap. As during the war, the slogan was, "Everybody welcome—Everything free."

Serves Council 25 Years For more than twenty-five years, Brother S. A. Breen, of Fitzgerald Council, No. 459, Alexandria, Virginia, has served his Brother Knights as Treasurer. It is such unselfish devotion as this that has brought the Order to the high position it now enjoys and it is such records of service that illustrate the real worth of those Brothers we affectionately call "Old Timers." We shall be glad to hear of others like Brother Breen.

### Want an Exchange?

Brother Dick Ryan is editor of the St. Augustine Bulletin, published by St. Augustine Council, No. 41, Stamford, Conn. He appreciates other Council publications, is quite willing to send out copies of his own Bulletin in return and personally takes care of this work. If you wish to increase your exchange list by one, write Brother Ryan.

### Chaplain Dies—Charter Draped

The charter of Sherman Council No. 1289, Sherman, Texas, was draped for a period of thirty days in mourning for the death of the Council's beloved Chaplain, Very Rev. Msgr. J. R. Allard.

### Real Pulling Power

There appeared in September "Columbia," an article on the house of studies for related vocations to the priesthood, which Rev. Jeremiah P. O'Mahoney conducts at Oriskany, New York. Father O'Mahoney writes: "The article in 'Columbia' brought five hundred responses. Four Bishops wrote for information with a view to sending us students." Here is an example of "Columbia's" pulling power. "Columbia" readers have confidence in the magazine and in every article that appears in it. Its circulation is large and the reply is that it is not larger. Members of the Order have been urged a thousand times to introduce "Columbia" to those who have not as yet had the pleasure of knowing it. The knowledge that the obtaining of a few new subscribers is a distinct service to the Order and to Catholicity should be sufficient incentive. Announcement of a new plan that will be of interest to all readers will be made in columns of "Columbia" in the near future. Watch for it and be prepared to give your own magazine the co-operation it so well deserves on its own merit.

Cleveland Jesuits Leaving For India St. Agnes College Dedicated By Bishop

(By N. C. W. C. News Service) Cleveland, O., Sept. 21.—A farewell service for the Rev. Walter E. Marquard, S. J., and John Brennan, Jesuit scholastic, who are going as missionaries to India was held in St. Mary's church here Sunday. It was the first service of its kind in the history of this diocese. The young men sail from New York Oct. 12 on the S. S. Berengaria and expect to arrive at Bom Bay November 15.

A second service of departure will be held in St. Xavier's church, St. Louis, October 2. Besides his work as a missionary and pending his ordination in 1934, Mr. Brennan will devote his time to studies. The Rev. James A. McFadden, Chancellor of the Cleveland diocese, delivered an address. The priests in attendance included the faculty of John Carroll University, a Jesuit institution. Both Father Marquard and Mr. Brennan are Clevelanders.

Memphis, Tenn., Sept. 19.—The Rt. Rev. Alphonse J. Smith, Bishop of Nashville, officiated at the dedication of Saint Agnes College here. Howlett Paine, Mayor of Memphis, was a guest on this occasion.

Bishop Smith and the Rev. J. U. Cahill, O. P., Chaplain, spoke in conjunction with the dedication. Bishop Smith emphasized the need of education, particularly the need of a Catholic education for Catholics. The Catholic Church, he said, has ever been the protector of the true arts and sciences. Following the dedication there was Benediction of the Most Blessed Sacrament, and following Benediction, a banquet in the school dining hall. Mother Bernadette, the Mother General of the Congregation of Sisters of Saint Dominic, and Sister M. Michael, O. S. D., president of the College, received the guests. Saint Agnes College will open classes tomorrow morning.
