Let Us Study Our Real Needs

Dependable MERCHANTS, like dependable MERCHANDISE are essential to all successful cities. In every growing progressive city of the type of Rochester there are MERCHANTS, and there are merchants. Did you ever hear of John Wanamaker? Of course you did, and you know that he was called the PRINCE of MERCHANTS. WHY? Principally, for the reason that he ADVERTISED his wares to those who had the money to buy. So it is with the MERCHANTS WHOSE NAMES and places you find on THIS PAGE and the other pages of THE CATHOLIC JOURNAL in each issue. They are DEPENDABLE; you can rest ASSURED of HONEST VALUES. They APPEAL because they can BACK UP their appeal. And that is the first principle of SUCCESS in BUSINESS.

See Melville Before It's Too Late Services of a Kind To Be Appreciated Offered by Ciminos

Save the eyes and you save all the eyes are to the human being what the headlights are to locomotives and compasses to boats. Take the best of care of your eyes; no sadder affliction than blindness, and no more annoying and painful ailment than deficient eyesight. It pays to see the optometrist often, or at least twice a year. Arthur A. Melville, 529 North Goodman street (near Main) is one of the most expert eye and eye-glass specialists in the United States, and he is always pleased to consult with persons as to the condition of their eyes and glasses. Even if you have a pair of glasses which seem to give satisfaction, see Melville. Eye glasses, like razors, need a rest or vacation. Optometrists, as a rule, urge that eye glasses be brought in for examination at least every two years, but twice a year would be better—for the owner and also for the glasses. What Melville does not know about vision is not worth knowing. It has been his life pursuit and thousands feel thankful to him for having saved their eyesight. An engagement for examination can be made with Melville by phoning Culver 2596.
