Let Us Study Our Real Needs

Dependable MERCHANTS, like dependable MERCHANDISE are essential to all successful cities.

In every growing progressive city of the type of Rochester there are MERCHANTS, and there are merchants.

Did you ever hear of John Wanamaker?

Of course you did, and you know that he was called the PRINCE of MERCHANTS.

WHY? Principally, for the reason that he ADVERTISED his wares to those who had the money to buy.

So it is with the MERCHANTS WHOSE NAMES and places you find on THIS PAGE and the other pages of THE CATHOLIC JOURNAL in each issue.

They are DEPENDABLE; you can rest ASSURED of HONEST VALUES. They APPEAL because they can BACK UP their appeal.

And that is the first principle of SUCCESS in BUSINESS.

Lubrication Most Important of All Expert On Painting Paperhanging, etc.

Lubrication is the most important duty to an automobile. Without oil, the auto will not run; it will rust, decay and crack. The first thing an expert engineer thinks of is lubrication, knowing from experience that insurance and expense of needless repairs is not worth knowing. When air pilots start on a long fly they take along skilled oilers. Commander Byrd emphasized that the other was the most important man in the South Pole expedition. All of which is interesting to motorists because they, too, are vitally interested in lubrication. The best and most economical way is to have it done by experts. The General Lubrications Company, 99 Chestnut street, known as the Chestnut Parking Station, makes a specialty of oiling cars and the management inspects each and every car before it leaves the station to see that the work is properly and scientifically done. It pays to lubricate properly, and this company has a reputation for perfectness in that line. Its headquarters are right near to the Health Bureau. It also washes cars, and sells gas, oils, etc. A visit to the Chestnut Parking Station is both instructive and profitable.

Women of Palestine Ask Minimum Age Be Fixed For Marriage

By Dr. Alexander Mombelli, Jerusalem Correspondent, N. C. W. C. News Service).

Jerusalem, Oct. 1.—A report has been submitted on the International Association for Women's Rights, at Geneva, by Dr. Rosa Welt-Strauss, the President of the Palestine Jewish Women's Rights Association, on the subject of the legal status of women in Palestine.

Describing the feminist movement in Palestine, Dr. Welt-Strauss stressed the demand of the women of Palestine, that a minimum marriage age for girls be established. The representative of the Palestine Government answered that such a reform is very difficult owing to the religious dissensions of Christians, Jews and Moslems of the Holy Land on this matter.

Fascists Visit Holy Sepulchre

Jerusalem, Oct. 1.—More than 1,000 Italian vanguardists in black shirts recently visited in Jerusalem. Among them there were two sons of Signor Mussolini, the Italian Prime Minister. They marched in procession through the City and visited the Garden of Gethsemane and the Basilica of the Holy Sepulchre. Later, they proceeded to Bethlehem, to visit the Church of the Nativity of Our Lord, and then they left for Jaffe.

Priest Seeks Citizenship Redding, Cal., Oct. 12.—The Rev. Joseph Madden, assistant priest here, has declared his intention of becoming an American citizen. Father Madden was born in Ireland, and came here in 1927.
