Better Ironing in Less Time

You can do quicker and better ironing with the Rainbow Automatic Ironer than by hand or with any other machine. The Finger-Tip Control Bar is conveniently placed the entire length of the feed table. A slight pressure of the finger tip anywhere on the bar operates the mechanism which moves the ironing shoe to and from the padded roll. Your hands are always free to guide the work smoothly. Let us explain the machine and the special payment plan and then do your next ironing for you. Main 3960
