Let Us Study Our Real Needs

Dependable MERCHANTS, like dependable MERCHANDISE are essential to all successful cities.

In every growing progressive city of the type of Rochester there are MERCHANTS, and there are merchants.

Did you ever hear of John Wanamaker?

Of course you did, and you know that he was called the PRINCE of MERCHANTS.

WHY?

Principally, for the reason that he ADVERTISED his wares to those who had the money to buy.

So it is with the MERCHANTS WHOSE NAMES and places you find on THIS PAGE and the other pages of THE CATHOLIC JOURNAL in each issue.

They are DEPENDABLE; you can rest ASSURED of HONEST VALUES. They APPEAL because they can BACK UP their appeal.

And that is the first principle of SUCCESS in BUSINESS.
