## Greetings And Congratulations

Inspired by a fine feeling of personal and civic pride in the elevation of our beloved fellow-citizen, John Francis O'Hern, to the exalted position of Bishop of Rochester, we, the undersigned, irrespective of religious affiliation, hereby tender him our congratulations and good wishes, and extend to him our hopes and prayers, sincerely expressed, that he may preside over the Diocese of Rochester, for many years; accomplish much good for his people, for the Diocese at large, and for the religion he cherishes; and that God may bless his life and his work in ways that will make and keep him dear to the hearts of all people who look, with him, through eyes of faith, towards the reflected glory of an immortal life.
