**Services of a Kind**  
**To Be Appreciated**  
**Offered by Ciminos**

When the gentle Spirit summons the beautiful soul, and your beloved passes to his or her final resting place, there is nothing the survivors can do but to give the deceased a proper burial. Grief-stricken, the relatives usually are bewildered what to do until they call the undertaker and the clergyman. Service of the most delicate character is needed.

Vito Cimino & Sons, 31 Lake Avenue, are noted for their exquisite service in homes where death has knocked at the door. The Ciminos are sympathetic by nature, and they bring that touch of friendliness that softens the sad scene. It is a relief to relatives to be freed from all the annoying details associated with a funeral; this is the service the Ciminos perform. All that is necessary is a phone call, Main 6275, and the Ciminos will do the rest. While death is dreaded by all persons, it cannot be avoided, and when it does arrive, the Ciminos' services will be found indispensable.

They have Joseph J. Buckley as associate mortician, and he also is noted for his services before and at funerals.
