Pope's Jubilee Gifts To Be Exhibited

Rome, Sept. 27.—The Central Committee for the Sacred Jubilee of Pope Pius XI has appointed a special committee to care for the gifts that are arriving daily as marks of homage to the Sovereign Pontiff. It is quite likely that they will be placed on exhibition next year, as was done following the jubilee celebrations of Pius IX and Leo XIII.

New Church of Our Lady of Mt. Carmel

Ground was broken on Monday morning this week by the Rev. John Francis O'Hara, D.D., Bishop of Rochester, for the new Church of Our Lady of Mt. Carmel, to be erected on the north side of Woodward Street, near North Street. Bishop O'Hara turned the first spadeful of earth in the presence of a number of priests, Sisters of Mercy, and many hundreds of people. Work has been commenced on the building, and it is expected the cornerstone will be laid the latter part of October. The Rev. Walter A. Foery, rector of the church, hopes to have it ready for dedication by May. The Church will cost approximately \$100,000, and it will be a beautiful addition to the churches of the Diocese. It will be of brick, and it will seat 825 people.

Among the priests present at the breaking of ground for the church were the Rt. Rev. Msgr. William M. Hart, Vicar General; the Rt. Rev. Msgr. Michael J. Nolan, Chancery Director; the Rev. Walter A. Foery, rector of the church; the Rev. Gerald Branagan and Rev. Joseph D. J. St. Louis, assistants, and the Rev. B. L. Flatto of Enfield, Ala.

Eight teams of men have been busy canvassing members of the parish for funds for the new church, and with splendid success. Father Foery has been pastor of the church since 1915, and has done remarkable work in building up the parish and its activities. He has few wealthy people in his congregation, and donations of any kind for the new church will be gladly welcomed and will be greatly appreciated.

Mgr. Hughes Speaks To His Indian Wards

San Diego, Calif., Sept. 27.—Msgr. William Hughes, director of the Catholic Indian Bureau, Washington, D. C., preached a special sermon Saturday morning to Indians from reservations in the country back of San Diego. The sermon, which followed a Mass, was delivered at San Ysidro.

Msgr. Hughes' visit to San Diego is part of his annual inspection tour as supervisor of missions. In addition to his post with the Indian Bureau, he is in charge of Catholic work at Sherman University.

St. Joseph Sisters Open New Hospital In California

Orange, Calif., Sept. 27.—After being more than a year under construction, Orange's newest institution, the general hospital of the Sisters of St. Joseph, was opened to the public Sept. 15 and was ready to receive patients in a week.

As it stands, the hospital and other units represent an outlay of \$700,000. Of this, \$600,000 was spent on the two four-story structures housing the hospital and nurses' home. An additional \$50,000 went for equipment.

The hospital is surrounded by two large towers, capped with a cross and illuminated with six large flood lights. The decorations are of terra cotta trimmed with copper.

The Holy Name Society Founded 655 Years Ago

Anniversary Is Being Celebrated This Week—Society Was Founded by Council of Lyons in 1274

The Holy Name Society—that great body of Catholics who have pledged themselves to love and respect the Holy Name of Jesus—is 655 years old this week, and the anniversary is being celebrated by Council of Lyons in 1274.

REV. FATHER RIPPLE O'R
The National Director of Holy Name Society

The society had its origin in the Council of Lyons in 1274. The Albigensians and other blasphemers had been holding the name of our Saviour up to ridicule. Blasphemous language was a common thing in many parts of Europe. The Council of Lyons prescribed that the faithful should cultivate a special love for Jesus, that reparation might be made for the grievous insult offered to that name by the blasphemers.

The Dominicans were then at the height of their zealous preaching and it was natural that Pope Gregory should select them to preach the devotion, which he did by a letter to Blessed John of Verceil, master general of the order, who immediately wrote to his provincials expressing the Pope's wish. Accordingly the Dominican friars, the preaching friars as they were known, preached special devotion to the Holy Name of Jesus, and it was ordained that in every Dominican church an altar of the Holy Name should be erected and that societies or confraternities under the title and invocation of the Holy Name of Jesus should be established. The history of the society is somewhat obscure for the next two centuries, but it continued to exist.

Numbers of great churchmen of that time encouraged the Society, particularly the Spanish Dominican, Didacus of Victoria, who organized a society known as the society of the Holy Name of God whose special object was to suppress the horrible profanation of the Holy Name by men in their daily speech. This was later merged into the Society of the Holy

Tickets are now on sale at the Club House and may be procured from the members of the committee. The supper is open to men and women.

Archbishop Hanna Was Honor Guest Of Jewish People

San Francisco, Sept. 27.—The "kindly feeling of the city of St. Francis that makes all men brothers" was manifest in the Hotel St. Francis Friday, when the Most Rev. Edward J. Hanna, Archbishop of San Francisco, was the honor guest at a Jewish gathering.

The occasion was the annual luncheon of the Jewish Welfare Campaign. Explaining why Christians should aid in raising funds the Archbishop said: "The Jews of San Francisco always have been a splendid example of generosity, and it is time of need always have been foremost in sharing their good things and lending their aid."

Handing his check to Director Richard E. Duda, the Archbishop said: "I could never refuse a people who help to advance great ideas and the spirit of brotherhood."

Name of Jesus. The Pope took special interest in the Society, and favored it with indugences and much encouragement. The Dominican order was given exclusive direction of the Society. Since then the Society has multiplied rapidly, especially in the United States. Today the members of the order in the U. S. number about three million men.
