Cardinal Hayes Given a Mosaic Of Himself

New York, Oct. 18.—Patrick Cardinal Hayes has received as a gift a mosaic of himself, made in the mosaic factory of the Vatican Museum. Work of hanging it on the wall of the reception room of his house on Madison Avenue has begun.

The mosaic, a surprise gift from Mrs. May Lyons, weighs 384 pounds, contains thousands of pieces of various colored marble, and cost \$7,000 to make. Mrs. Lyons, member of a famous New York Catholic family, dedicated the gift to James Egan, uncle of the Cardinal, who reared him.

The weight of the mosaic made hanging by wires impossible, and it was necessary to cut into the wall an inch and one-half to make a resting place for the piece. The work was copied from an oil painting, which in turn was copied from a photograph of the Cardinal taken when he was in Rome in December, 1925.

Sisters of Notre Dame Diamond Jubilee Will Be Celebrated Sunday

Seventy-fifth Anniversary of Coming Sisterhood to Rochester Diocese This Month—Archbishop Hickey Will Preach Sermon Sunday

The year 1929 marks the 75th anniversary of the activity of the School Sisters of Notre Dame in the beautiful Flower City. Just 75 years ago, the feast of St. Teresa, October 15, 1854, Rev. Mother Caroline, in company with two Sisters and a candidate for the order, entered for the first time the home prepared for them in Rochester.

To honor this event, a solemn High Mass will be celebrated in St. Joseph's Church, Sunday, October 20, at 10:30 A. M. The sermon will be preached by His Grace, the Most

Rev. Archbishop Thomas F. Hickey in the evening, at 7:30 o'clock. Benediction will be sung by the Rt. Rev. John Francis O'Hern, D. D., Bishop of Rochester. All former pupils of St. Joseph's School are cordially invited to be present at the services in honor of the Diamond Jubilee.

A Fine Beginning
The little pioneer band of the Sisters of Notre Dame came in response to the invitation of the kind Redeemerist Fathers, to assume charge of the girl's classes in St. Joseph's Parochial School. Two days later, October 17, 1854, two hundred seventy-eight bright, smiling maidens were welcomed by the Sisters, and classes were begun.

After suitable alterations and repairs had been made, the house adjoining the church on the west side was assigned to the Sisters by Rev. Father Max Letzgruber, superior of St. Joseph's Church, and towards the end of the same year a chapel was annexed to the building.

Later a convent was erected on Andrews Street, and on January 12, 1867, it was blessed and occupied by the Sisters and five orphan girls; a present over 100 boys and girls are under the care of the Sisters of the Orphanage.

Besides St. Joseph's, the Sisters of Notre Dame are conducting the following schools in Rochester: Sts. Peter and Paul, St. Boniface, Holy Redeemer, Holy Family and St. Michael's; also Holy Ghost School in Cold Water.

Will Lay Cornerstone Of Mt. Carmel Church On Sunday Afternoon

Bishop O'Hern Will Officiate, and Many Priests People Will Attend—It Will Be First Cornerstone Laid by the Bishop Since His Consecration

The cornerstone of the beautiful new Church of our Lady of Mt. Carmel, on Woodward Street, between North and Solo Streets, will be laid at 2:15 o'clock next Sunday afternoon, October 20, according to an announcement just made by the Rev. Walter A. Foery, The Rt. Rev. John Francis O'Hern, D. D., Bishop of Rochester, will officiate, and it will be the first church cornerstone laid by him since his consecration as Bishop. He will be assisted by the Rt. Rev. William M. Hart, Vicar General of the Diocese, by Father Foery and Fathers Brennan, Moffatt and D'Elia of the Mt. Carmel parish, and a number of other priests of the Diocese. A large congregation of the laity will be present, it is expected.

On Sunday, August 1, 1905, the Rt. Rev. Thomas F. Hickey, D. D., then Bishop of the Diocese, laid the cornerstone of the present Mt. Carmel Church, and it was the first church cornerstone laid by him as Bishop of Rochester. The fact that the cornerstone of the new church will be the first laid by Bishop O'Hern naturally gives the priests and people of the parish a fine sense of pride in this historic coincidence.

Ground for the new Mt. Carmel Church was broken by Bishop O'Hern on Monday, September 23, 1904, and it is a fact that the remarkable speed has therefore been made in the work on the church, and it augurs well for an early completion of the building.

McQuaid, D. D. is early of struggle, but the man strong and energetic, numbered among the prelates of the Diocese, and his assistant secretary, plished splendid work in the Diocese of Rochester, and his faithful and devoted Sunday workers.
