St. Anthony as a Business Partner

A large percentage of the thousands of testimonials which come to Graymoor from the clients of St. Anthony who have recourse to his intercession through the popular Shrine on the Mount of the Atonement, relate to financial matters, such as securing a position, increase in salary, selling a house or lot, or some other favor that has to do with finance. Many have adopted the custom of associating St. Anthony with them as a Business Part ner, promising him for his pour

the missions, or some charitable object, a certain per-centage of their earnings.

BY WAY OF ILLUSTRATION WE GIVE THE FOLLOWING EXAM-PLES OF LIKE TESTIMIONIALS RECEIVED BY THE FRIARS OF THE ATONEMENT

Mis. C., Chicago, III.: "Please find a thanksgiving to St. Anthony for obtaining a raise in salary for my husband. Although many asked for an increase he was the only one who obtained it and we feel that it was entirely through prayers."

Mrs. M. F., Lafayette, Ind.: "Sometime ago I sent my petition to your Shrine asking the intercession of St. Anthony in finding a position for my son. He has now received a very good position and I will always remember St. Arathony's poor in thanksgiving."

Mrs. S., Trenton, N. J.: Enclosed offering I promised St. Anthony if my son obtained employment." He started work the day the Novena ended after being out of work for four months." Mrs. M. K., New York City: "I am enclosing offering for St. Anthony's Bread in thanksgiving for a favor received. My husband chiated more money and we are in a position to pay our debts as the lost through an investment. We are thankful to St. Anthony."
