## The Dawn of Easter

Easter! There is something in the very name that suggests all that the day stands for. Hope, Faith, Resurrection! Its sound carries us back across the centuries to that first glorious Easter morning, when the bereaved women came to the tomb and found that death had been conquered. It brings us a vision of the white-robed angel in the sepulcher, saying to these weeping women: "Be not affrighted: Ye seek Jesus of Nazareth, which was crucified: He is risen; He is not here." And the comfort and hope of the words fill us with joy, for even Nature today rejoices the words, as we witness the miracle of resurrection all around us. Every field and meadow, every opening bud and blossom, the glory and brightness of the spring day, all bring happy assurance to our heart. All that is beautiful never really dies; each year there is added beauty and loveliness as the world awakens from its winter sleep. And so, too, we feel, that we shall know that endless life and resurrection in that far, fair country that awaits beyond. The promise that He made is still with us, and Easter day, with all its joy and all that it stands for, assures us that it will come true.

KATHERINE EDELMAN.

Heaven helps those who help themselves, but not to other people's possessions.

All the saints in the calendar praying for you will not make you holy if you do not want to become so.

## Warm Response To The Near East By This Diocese

New York, April 11.—Catholic New York Catholics are responding in large numbers to the fourth annual roll call of the Catholic Near East Welfare Association for support of the 1930 Papal welfare program in the Near East. Returns now being tabulated at national headquarters of the Association in New York City indicate that the 20,000 members in the diocese of Rochester will rank high on the rolls of the organization, according to the Rev. Edmund A. Walsh, S. J., vice president of Georgetown University and president of the Association.

Dr. Walsh said that these results were gratifying since an appeal is being made this year, for the first time, by the parishes of the Diocese, as in former years, but directly to the membership. Many new members are being enrolled, he said, and a greater number of perpetual memberships has been received this year than ever before.

The present roll call of the Catholic Near East Welfare Association is being made on behalf of the "Holy Father's Community Chest" for dispensation of aid to orphans and refugee families in Balkan and near eastern countries. Pope Pius XI, the spiritual head of the organization, and at whose request it was formed four years ago, has expressed

the wish that measures be adopted to ensure permanent solution of refugee problems arising from post-war strife and other disasters in the Near East.

Membership subscriptions should be sent directly to national headquarters of the Association, 439 E. 4th Avenue, New York City. Cardinals O'Connell, Dougherty, and Hayes are members of the Association's board of directors.
