EASTER HARVEST

Easter bunnies make whoopee on Easter morn. Here is an astonishing discovery made on a front lawn.

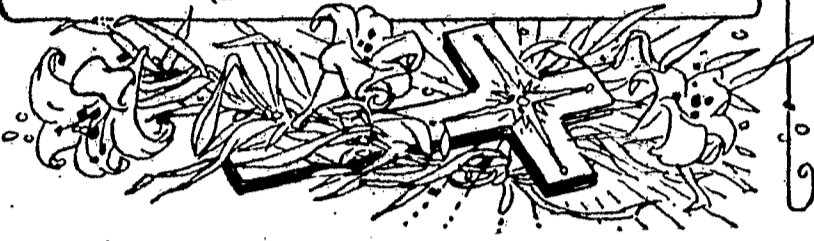

It is impossible for you to get anything but the genuine when you order MILLER JEDDO COAL because its producers are so zealous of its quality that they furnish us with only enough stamps to cover each ton in every carload they ship to us.

Easter

Now let the heavens be joyful,
And earth her song begin,
The round world keep high triumph
And all that is therein:
Let all things seen and unseen
Their notes of gladness blend,
For Christ the Lord is risen,
Our joy that hath no end.

Great Britain's Coronation Oath May Be Changed

(By N.C.W.C. News Service)
London, April 18.—When the Imperial Conference meets at London this year, three of the Dominions—Australia, New Zealand and the Irish Free State—will have Catholic Prime Ministers heading their delegations. Sir Joseph Ward, Prime Minister of New Zealand, who has been premier for more than thirty years and in the ministry for more than thirty, will be the senior member of the conference. The youngest member will be Premier Scullin of Australia.

If the question of abolishing the coronation oath is raised, it is assumed that Canada and Newfoundland, as well as the three Dominions having Catholic Prime Ministers, will be in favor of abolishing the restriction upon the King's freedom of conscience. Sir Joseph Ward is one of the most distinguished Catholic statesmen in the world and was promoted in the New Year's Honors List to be a Knight Grand Cross of St. Michael and St. George. He had retired from the New Zealand premiership a few years before the war but returned as joint head of the National Ministry during the war. As such he attended the Imperial War Cabinet, played an important role at the Versailles Peace Conference and was one of the signers of the treaty. He was born in Australia of Catholic parents who later migrated to New Zealand.

Four K. C. Bodies Held Breakfasts In K. C. Club Hotel

New York City, April 18.—Four Knights of Columbus Councils held Communion Breakfasts in the Knights of Columbus Club Hotel of the New York Chapter, K. of C., in this city Sunday. The Councils were Greenwich Council, No. 177; DeSoto Council, No. 327; St. Xavier Council, No. 523, and St. Ignatius Council, No. 362.

Excellent talks were given at all of the breakfasts. Borough President Harvey of Queens was a speaker at the Greenwich Council breakfast. In commenting upon the growth of Communism in the city, he said: "I am afraid we have taken God out of our schools. We ought to return to old principles and give back to our children those Biblical teachings, divorced from creed, which build faith, the common key in all dealings with our fellows." The National Catholic School of Social Service has just issued its 1930-31 Prospectus containing a brief history of the school, a description of the courses, the student enrollment, the positions held by the alumnae, etc. Copies of the Prospectus may be had by addressing the Director, National Catholic School of Social Service, 2400 19th Street, N. W., Washington, D. C. It is to whom Egyptian Catholics owe much of their religious freedom. Another Egyptian Catholic who is a prominent member of the diplomatic service is His Excellency Sessoustris Sidarous Bey, C.V.O., former charge d'affaires at London, and now Egyptian Minister in Brussels.
