K. C. Scholarship Exams to Be Held On 23rd of June

The Knights of Columbus in New York State maintain 35 free scholarships in Catholic colleges of the State for boys and girls who are sons, daughters, or brothers or sisters of living or deceased members of the Order.

There are seven vacancies in these scholarships this year, two of them in Rochester district, one for a girl and the other for a boy. The one for a girl is in D'Youville College, Buffalo; that for the boy in St. Bonaventure College, Allegany.

Examinations for these scholarships will be held in the K. of C. Home on Tuesday, June 23. Application blanks must be filed on or before June 16. Blanks may be obtained from Grand Knight John A. Doyle, or Financial Secretary Raymond J. Curran of Rochester Council. Applicants must be recommended by their pastors.

These scholarships are worth \$300 per annum, or \$300 total. Only applicants for the Freshman Class will be considered. No student who has had college training is eligible for these scholarships.

The Chairman of the K. of C. Scholarship Committee is Maurice J. Moore, 141 Broadway, New York City.

Silver Jubilee Planned By St. Francis' Auxiliary; Events of the Celebration

The Silver Jubilee celebration of the Ladies' Auxiliary, No. 102, of St. Francis Xavier Church, will be celebrated by its members next Sunday morning and again on the following Wednesday evening. The Knights of St. Francis Xavier Church will enhance the occasion by receiving Holy Communion with the Ladies of the Auxiliary at the 7 o'clock Mass on Sunday, May 4th, in the spirit of thanksgiving for the many blessings that have been bestowed upon the Auxiliary during the past 25 years.

On the following Tuesday morning a Requiem High Mass will be offered up for the three deceased members, Mrs. Emma Doser, Mrs. Sophia Hill, and Mrs. Anna Knittel.

At 6:30 o'clock Wednesday evening a Silver Jubilee Banquet will be served in the parish hall, at which the Rt. Rev. John Francis O'Hern will be the honored guest, together with Mrs. Teresa Ganster, Supreme President of the Ladies' Auxiliaries of the United States, and the clergy of the parish. A reception will be held the same evening at 8:30 o'clock for their Brother Knights, the Knights of St. Bernard, headed by Colonel Joseph Wells of the Rochester Regiment, together with the wives and sweethearts of the Knights, and the husbands and friends of the ladies. A program of music and entertainment will follow with a buffet luncheon for all at 10:30 o'clock.

Ladies' Auxiliary, No. 102, was organized March 15, 1905, with a membership of 57. Mrs. Catherine McBride was elected president. At

the first meeting were present Rev. Joseph Netzel, Spiritual Advisor; Frank J. Schwab, President of the Grand Commandery; Mrs. Teresa Ganster, who is now and has been for several years, Supreme President, and several members of St. Bernard's Commandery, 272. The charter members are the following ladies: Mrs. Mary Belkitch, Mrs. Florence Farrell, Mrs. Agnes Harter, Miss Valeria Hasenauer, Miss Christine Kolb, Mrs. Rose Maas, Mrs. Gertrude Mathis, Mrs. Catherine McBride, Mrs. Mary McDonough, Mrs. Theresa Pappert, Mrs. Mary Schiller, Mrs. Mary Seifelder, Mrs. Sophia Seiler, Mrs. Anna Streicher and Mrs. Emma Young.

Arrangements for the Jubilee Celebration have been completed by the following committee: Mrs. Rose Fromm, chairman, assisted by Past Presidents Mrs. Catherine McBride, Mrs. Mary McDonough, Mrs. Irene Van Houten, Mrs. Mary Lynch and Miss Cecelia Schultze.

The object and aim of the Ladies' Auxiliaries is to unite into fraternal sisterhood women of good moral character belonging to the Catholic Church, and to instill in their minds a fine sense of honor, love of truth and piety, to foster and create fraternalism and sociality among the members, and to alleviate the suffering conditions of such members as through illness or misfortune are unable to sustain themselves, and to promote a more generous filial respect for the spiritual authority of the Roman Catholic Church among the members.

Priest Says Prohibition Is Act of Tyranny

The Rev. Dr. Frederick Zwielerlein, professor of Church History in St. Bernard Seminary, spoke on "The Right to Liberty" at the meeting of the Kiwanis Club in the Powers Hotel on Monday noon. He said in part:

"The subject which I have chosen for my talk to the Kiwanis Club is one that is mentioned in the Declaration of Independence by Thomas Jefferson among the inalienable rights with which all men are endowed by their Creator—their right to liberty.

"In the use of the bounties of nature, prohibition has tried to restrict this liberty, although George W. Wickersham, chairman of President Hoover's enforcement committee, in his report to Congress, admitted an obstacle to successful enforcement—the conception of natural rights, classical in our policy.

"While these last words are Mr. Wickersham's own words, he does not seem to have realized the logical application of his admission to the whole problem of prohibition. If the natural rights here in question are inalienable, as the Declaration of Independence puts it, prohibition even by constitutional amendment is an act of tyranny, as the Supreme Court of the United States was and is in error in lending support to its enforcement.

Holy Name Frolic At Edgerton Park To Be Big Event

Everything is all set for the Big Holy Name Frolic, which will be held in the Assembly Hall at Edgerton Park, on Thursday evening, May 8, 1930.

The Holy Name Society of Holy Family Church, under the direction of Rev. William Heisel, holds a frolic of this nature every year, and the one this year promises to be much better and bigger than the one held in the past. The committee in charge promises an evening of surprises for all who attend.

One of the big features of the party this year is Billy Metzger's Augmented Orchestra, who will furnish the music for dancing. This orchestra, a unit of the Holy Name Society, again strikes up the band with some lively dance rhythms. Another feature will be the pinning, during the intermissions, by the Holy Family Boys' Harmonica Band. This entertainment will be a novelty and the boys are anxious to display their talent on the harmonicas.

The committee in charge, is composed of the following members: General chairman, John Heibel; tickets, Joseph Hoffman; Door, Edward Denstedt; Floor, Eugene Pess; Refreshments, Francis Voelkl and Francis Hoffman; Checking, Andrew Wuest; Card Playing, Edward Meiers.

Knights of St. John Plan To Hold a Big Smoker On May 26

One of the big events of the First Rochester Regiment, Knights of St. John, of Rochester, will be the Big Regimental Smoker, to be held at St. Joseph's Hall, Whelan Street, Monday evening, May 26, 1930, starting at 8:00 o'clock sharp.

The committee, with William H. Rossbach as General Chairman, has made preliminary arrangements for this event, and if the bill prepared for this smoker means anything, it will be one of the best ever held by the Rochester Regiment.

Brother Rossbach, has appointed Joseph Keller to take charge of the tickets, and name will be given out by the inspections of the different commanderies.

If you enjoy an evening of good clean amusement, plan to attend this smoker.

Court Not Infallible

"Now remember that the Supreme Court of the United States is not infallible in all its decisions, despite its fine record in general. For example, we all know how wrong the Supreme Court of the United States was in the grounds alleged for its decision in the Dred Scott slave case, in which its error was even emphasized at the time by the dissent of two of its judges.

"Furthermore, when the United States Constitution was in the making, Madison's Journal, published by the United States Government, shows that the makers of this Constitution retained explicitly to give Congress power to make any summary legislation. For they claimed that judicial taxation was sufficiently able to suppress any abuse in such matters.

Washington's Warning

"Finally, George Washington, in his farewell address to the people of the United States, warned them how to preserve their government and the permanence of the happy state which they then enjoyed, telling them:

"It is requisite not only that you steadily discountenance irregular opposition to its acknowledged authority, but also that you resist with care the spirit of innovation upon its principles, however specious the pretext. One method of assault may be to effect, in the forms of the Constitution, alterations which will impair the energy of the system, and thus to undermine what cannot be directly overthrown."

'Ignoble Experiment'

"There you have in a few words a wonderful prophetic diagnosis of the present horrid condition to which these United States have been reduced by the ignoble experiment of prohibition."

Says We Need Religion Badly In This Country

New York, May 2.—Police Commissioner Whalen said religion was a preventive of communism and anarchy at the 13th annual communion breakfast of Coronation Council, Knights of Columbus, at Fort Lee, N. J., Sunday morning.

"We need religion in this country perhaps more than anything else," said Whalen, "with communism and anarchy about us we need to rely on religion to put down these foes of law and order." Mr. Whalen said.

"Most criminals are not old only in ways of crime or age but are youngsters of 15 and 16 years," he added.

India Prelate Asks Lay People To Help Religion

(Fides Service)
Galle, Ceylon, May 2.—The wish of His Holiness Pope Pius XI that every Catholic be a missionary was impressed upon the people of Galle, Ceylon, by His Excellency the Most Rev. Archbishop of India, Cardinal Archbishop Edw. Mooney, Apostolic Delegate to India, on his recent visitation of the great Indian island during February 1930.

His Excellency stated that every lay member of the Church should seek to make four contributions; the contribution of good example, which is one of the potent factors of conversions in pagan lands; the contribution of material support for the propagation of the Faith, that is financial help to build churches, schools and other institutions of Catholic activity; the contribution of flesh and blood, that is, to give sons and daughters to the Church, the former for the ministry of the altar in the priesthood, and the latter as Sisters in religious institutions; and fourth, the contribution of prayer for the spread of the light of Faith.

As Apostolic Delegate to India, Archbishop Mooney has under his jurisdiction 3,181,126 Catholics in India, Ceylon and Burma.

Big New Theater For Passion Play Dedicated Sunday

Oberammergau, May 2.—The new theater for the decennial Passion Play was solemnly dedicated Sunday by Cardinal von Faulhaber of Munich, who said the Passion Play was fulfilling a world mission.

While elsewhere the Holy Cross was destroyed, he said, and banned from hearts through the hatred of Soviet dictators, foreigners will come, see and learn from Oberammergau that demons are not Barbarians or Bolsheviks, but on the contrary, the cross is being honored here.

Bayaria's Premier, Herr Held, and the Minister of the Interior attended the ceremony.

Orphan Boys' Band Planning to Enter National Contest

Baltimore, May 2.—About 2,500 persons attended a benefit concert and minstrel show given by the boys' band from St. Mary's Industrial School at Keith's Theater Sunday night. The performance was supervised by Brother Simon, director of the band, and was featured by two specialty numbers a dance by Audrey O'Brien, 10, and Hazel Tarlett, 7, and an impersonation skit by Gabriel Herman and John Stankowich, members of the band.

The concert was given to raise funds so that the band may enter in a national contest at Flint, Mich., in May. At Joliet, Ill., two years ago the band carried off first honors. Last year lack of funds prevented it from competing again.
