Week's Mission For Deafmutes Of the Diocese

Beginning at 3 o'clock next Sunday afternoon, June 1st, and closing at 3 o'clock on the following Sunday afternoon, June 8, a Mission will be held for all Catholic deafmutes in the Diocese of Rochester. It will be given by Rev. Daniel D. Higgins, C.S.S.R., in St. Joseph's Church, Franklin Street, Rochester.

On each weekday evening the services will begin at 8:15 P. M. The hours of the services are according to "Daylight Saving Time," which is now followed in Rochester.

Rev. Charles J. Burger, C.S.S.R., is the Rev. Chaplain of the Deafmutes of the Diocese. He will pay the fare, both ways, of any Catholic Deafmutes coming from a distance of 10 to 100 miles to attend this Mission. It is earnestly desired that the Deafmutes, living within that distance, will make use of this generous offer of their Rev. Chaplain and attend the Mission, at least on the following days: The opening Sunday of the Mission, the closing Sunday of the same and the Saturday before the closing Sunday, for their mission Confession to the Rev. Missionary.

Local Students In Buffalo For the Sodality May Day

Delegations from Nazareth Academy, Our Lady of Mercy High School, Aquinas Institute and Nazareth College went to Canisius College, Buffalo, for May Day of the Western New York Students-Sodality Convention, Wednesday, Thursday, May 29.

Mrs. Adelaide Benschbach headed the Nazareth College delegation. The Rev. Daniel J. Lord, S. J., founder of Students' Spiritual Council, opened the ceremony with solemn High Mass at 11:15. The conference closed with benediction of the Blessed Sacrament and a talk by Father Lord. Delegations were present from many colleges and academies in Western New York.

British Ambassador Sees Pope
 Vatican City, May 29.—Pope Pius Saturday received in audience H. G. Chilton, British Ambassador to the Holy See, who left Rome on Wednesday to take his new post as Ambassador to Chile. Mr. Chilton formerly was counsel to the British Embassy in Washington and married Miss Katharine O'Brien, daughter of Thomas J. O'Brien, former American Ambassador to Japan.

Work of the First Regiment Band, Knights of St. John, Given High Praise by General Frank H. Biel

"Only a few more weeks are left before the Rochester delegation of Knights of St. John and members of the Ladies' Auxiliaries together with their drill teams are all ready for the trip," said General Frank H. Biel, who is a member of the Supreme Board of the organization.

Expecting Large Attendance

Continuing, Mr. Biel had the following to say in regard to the attendance at the Dayton Convention: "While there are many members

who wait until the last minute to report whether they will attend the convention or not, up to this time the enthusiasm seems to be running high on how many will actually attend. We wish and hope to see a large delegation from Rochester, who will attend this year Dayton is rather far from Rochester, but some of our commanderies stand a very good chance of winning a distance prize for numbers. It is anticipated that there will be a goodly number to represent our Regiment and its Auxiliary. Rochester, has, at every

convention, been very well represented, and at this time, we should all endeavor, if possible, to attend.

Speaks Good Word for Band

"One of the features on the trip that will add both pleasure and prestige will be our own First Regiment Band, under the capable leadership of Bandmaster William C. Schwab. For five years I have seen this band improve in all capacities, until today we have a unit of our Regiment that every member ought to be proud of. Bandmaster Schwab told me that everyone in the band is a member of the Knights of St. John, and for this one reason alone, we ought to do all we can to encourage and assist them in every way possible.

Continuing, he said: "Everyone should realize that it takes much time and perseverance for any body of musicians to play together in harmony and understand each other in all matters pertaining to music. All members of our band have applied themselves diligently to the task in hand, and therefore, they should be given all encouragement, support and praise to which they are entitled. Let's show our appreciation of their efforts and put the band campaign over the top. The time is here, and the opportunity. Are you doing your share?"

Asks Assistance of All

"The campaign which the band is now holding to raise funds to assist its attendance at Dayton will close on Friday evening, June 13, 1930. It is my wish and hope that every member will have done his or her share towards helping the band. It is a big task. Bandmaster Schwab has always given freely of his time and service, with no recompense whatsoever, to assist in every endeavor that would help our organization. For this reason, it is only fair that we assist him in any way, whenever we can. Every member is asked to make his or her returns as soon as possible, therefore, so that the campaign will prove a success."

Commandery 25 Represented

St. Boniface Commandery No. 25 expects to be represented at the convention with its drill corps, under the leadership of Captain Wendell Maeder. This commandery is considered to be one of the best drilled units among the eleven commanderies of the Knights of St. John in the city, and much of the credit for its good showing and performance is due to Captain Maeder. In commenting on the drill rank's attendance at the convention, Captain Maeder had the following to say:

"Everyone of our boys is working extremely hard and applying himself diligently to the task in hand. I am glad to say that all are giving me their best support and it is this fact that gives me greater encouragement to do better things. Each one of the boys in the drill rank, so far as I know, hopes to attend the convention, and it will be a pleasure for me, together with our

No great thing is created suddenly, any more than a bunch of grapes or a fig. If you all you desire a fig, I answer you that there must be time. Let it first blossom, then bear fruit and ripen.—Epictetus.

FOR SUNDAY NIGHT SUPPER

What can be more appealing to the appetite on a cool night than hot, appetizing sandwiches. They may be made as dainty as an afternoon tea sandwich or as substantial as a man dish.

Mock Crab Sandwich—To one-half cupful of grated cheese add one-fourth cupful of creamed butter, one-half teaspoonful of made mustard, two teaspoonfuls of anchovy paste, a few drops of lemon juice and a tablespoonful of chopped olives. Spread on slices of toasted bread and place in the oven until very hot. Garnish with parsley and narrow strips of canned sweet pickles. Serve with celery.

Grilled Sardines—Toast in a broiler or in a hot frying pan a dozen or more sardines. Melt butter in the frying pan, stir in a little flour and moisten with hot water, then add a bit of vinegar, a dash of mustard, salt and pepper and pour over the sardines; serve on toast.

Prune Sandwich, Fried—Cook prunes after soaking well, pour off the syrup, stone, put through the food chopper and add sugar and cinnamon to taste. Cut the crust off of sandwich bread, slice thin and spread with the mixture and cover with another slice. Dip the sandwiches in a plain pancake batter and fry like french toast or in deep fat. These make a delightful breakfast toast.

Hot Egg Sandwich—Cook six eggs in the shell until hard, remove the shells and chop fine. Add pepper and salt and a teaspoonful each of chopped parsley and capers, a tablespoonful of butter, a teaspoonful of cornstarch mixed in four tablespoonfuls of light cream. Cook until slightly thickened. Have ready slices of buttered and toasted bread on hot plates, fill the sandwich and cover with the egg and draw butter or cream sauce. Garnish with sprigs of parsley. Add half a teaspoonful of curry powder to the creamed mixture if desired.
