## The temperature of molten lava is estimated from about 2,200 to 3,600 degrees Fahrenheit.

In the Rocky Mountains of Colorado alone there are 40 peaks, exceeding 14,000 feet elevation.

## Corinne

I love the name Corinne,  
Picture of a maid serene,  
"Lily heart", a loving dart  
From Jesus' Sacred Heart.

So gracious and so true,  
The fairy bells renew  
Our parents' magic charm  
To keep the child from harm.

'Tis the right and only name,  
For since my sister came  
She carries it with grace  
Upon her angelic face.
