# Hoover Is Criticized By Rev. John J. Burke For His Lutheran Note

General Secretary of National Catholic Welfare Council Makes Sharp Statement In Taking Exception to the Wording of President's Congratulatory Note to Lutherans

PRIEST CALLS THE MESSAGE AN INSULT TO MILLIONS OF AMERICAN CITIZENS

Washington, D. C., Oct. 17 .- The Rev. John J. Burke, C.S.P. general secretary of the National Catholic Welfare Council, in formal public statement issued here on Monday, took sharp exception to the wording of President Hoover's letter of congratulation to the American Lutherans in connection with the to the American Enteredist in first reading of the World war veregon a partment commander Augsburg Confession, from which the rise of Protestantism is ican Legion. dated. Father Burke's criticism is one of the sharpest ever given in America by any representative Catholic on any President of the United States. He says the language of the President New Church Where violates the spirit, if not the letter, of his oath of office, that it is historically inaccurate and "an insult to many millions of American citizens."

The President's Letter

caused by the wording of the followand message of congratulation to the autherans from President Hower. I send cordial greetings to the Americans of Lutheran faith who are relebrating on Oct. III the are niversary of the Protestant Reformation and the 400th anniversary of the reading of the Augsburg Confession, from which date so many of the changes in point of view from older conceptions both of religion and govern-

"The effects of these historical events are reflected in our national life and institutions, in religion through the predominant numbers of adherents to Protestant thre principle of separation of church and state. It is fitting that we should commemorate the persons and events from which these mighty forces have spring.

Father Burke's Criticism Father Burke's position would indicate that he did not make this criticism withour consulting his superiors in the National Catholic Wel-
