Speaking Class To Be Continued For Five Lessons

Personality Through Speech is Taught Members of Class—Other Activities of Catholic Women's Club.
The popularity of the Tuesday Afternoon Class of the Catholic Women's Club in "Personality Through Speech," conducted by Mrs. John J. Sobie, has prompted the chairman, Mrs. Frederick J. Stehle, to continue the class for a series of five lessons, beginning next Tuesday afternoon at 2 o'clock. It is one of the few lines of club work that admits new members at any meeting during the course as each class is a unit, unrelated to the next. The class is open to the public and invitation is extended to club members and their friends to attend any day.
On Wednesday evening the Catholic Women's Club group of the Rochester Big Sisters, Inc., will entertain friends at cards at the clubhouse, the proceeds to be used for a vacation fund for their Little Sisters.
On Friday afternoon the Mission Group will have their monthly sewing "bee," making aprons to be sold for the benefit of the Society of Medical Missions. These aprons are on sale at the clubhouse at all times.

Masses Change At St. Margaret Of Mary's Church

The Rev. Charles J. Bruton, Ph.D., M. R., pastor of St. Margaret Mary Church on Rogers Parkway, has announced that beginning Sunday, April 12th, there will be four Masses instead of three every Sunday in that church. From that Sunday on, the hours of Masses at St. Margaret Mary's will be: 8:30 o'clock; 8 o'clock, children's Mass; 9:15 o'clock, High Mass; and 10:30 o'clock.
Owing to the rapid growth of this comparatively new parish, Father Bruton has found it necessary to increase the number of Masses to four in order that he might conveniently care for the congregation. Motoring access to Rogers Parkway, which is adjacent to Stop 4 on the Summerville car line, is expected to be greatly facilitated when the work being done on the boulevard is completed some time this summer, and when the new Ridge road bridge is finished next autumn.

First Card Party In Annunciation Hall, April 16th

George Welmsmu, rector of the Church, extends a cordial invitation to all friends to witness the party. The congregation of the Church of the Annunciation is composed chiefly of poor working people, and a little help now and then from good friends on the outside is a great encouragement to them, and will be greatly appreciated by pastor and people.

Two Planes Drop Food On Island For Use of Nuns

Montreal, Canada, April 16.—Two airplanes carrying a supply of bread and yeast, flew to icebound Nuns Island where the Sisters and 16 other residents of the island have been isolated because the ice bridge connecting the little piece of land with Montreal broke down earlier than usual, dropping their mail cargo in the garden of the convent and returned.
The trip of the planes is regarded as the shortest flight of mercy in history since the island in the St. Lawrence River is only 100 yards from this city.
Although they were low on supplies the Sisters had a telephone and made known their situation in this manner.

KNUTE ROCKNE

One of the world's great men is gone. A man loved by us all. With audacious, while in good health. He heard the Saviour call. And yet, why speak of him as dead? Death did not bring him gloom; No, when it came, he simply passed into a lighter room.
'Tis true that he from earth is gone. That the voice we loved is stilled. That a place is vacant in the world, Which never can be filled.
But why be sad because of this? For him, why should we weep? He is not dead, there is no death— He has simply gone to sleep.
Let us in prayer, remember him. All who loved him best. May God's sweet angels lead him home— And sing his soul to rest.
—JOHN A. TWAMLEY.

HEALTH, HAPPINESS AND HOT WATER

"I know of no better foundation for a child's success in later life than to build in his mind a respect for hot water," remarked a physician. Almost the father of two sturdy boys and a rosy-cheeked little daughter.
"The child that has been properly trained grows up regarding scrupulous personal cleanliness as the natural thing. This cleanliness expresses itself in greater resistance to disease, in better health. Wash-out perfect cleanliness no boy or girl, man or woman can be truly healthy or attractive. Boys and girls who have formed the 'hot water habit' from childhood become the healthy skinned, well groomed, successful women to whom the doors of business and social opportunity swing open most often."

Come in and see our display of modern water heaters. Reasonable terms, small down payments. If you wish, our representative will call and tell you about them. Just telephone Main 3960.
