Parish League Winners To Play For Championship Here And With Other Cities

Sacred Heart Wins Western League Championship, St. John's the Eastern, and St. Monica's the Southern -- The Team Standings in Leagues

The Parish League Baseball season came to an official close last week, with the Sacred Heart team winning the championship of the Western League; St. John the Evangelist team, the Eastern League, and St. Monica, the Southern League. These three teams will play for the parish championship of the city, and then there will be inter-city games between the championship parish teams of Rochester, Auburn and Elmira. It is quite likely that the final games will be played at the Red Wings Stadium, as efforts are being made to obtain this for these games. It is hoped these efforts will be successful.

Next week, it is hoped, about the championship games of the League.

Score Books Are Wanted

The Rev. George C. Vogt, president of the League, asks that all captains or official scorers of the League send to him at once their score books, so he can compile the batting, fielding and pitching averages of the various teams. His address is 400 N. Plymouth Ave., the Cathedral rectory, and he can be reached by telephone, Main 4622.

The League was a great success, and it is hoped that next year it will be greatly enlarged, strengthened and improved. The beginning this year shows that there is a fine field here for a Parish League, and the good work will be kept up in a bigger and better way next season, it is hoped.

St. Bonaventure Gives Degrees To Two Priests

Two priests of the Rochester Diocese were among the recipients of degrees conferred by St. Bonaventure's College at the 71st annual commencement exercises of the college Monday. More than 150 degrees and diplomas were awarded. The Rev. Fr. William Pappas, D.D., Bishop of Buffalo, presided.

STAIRS OF SAND

"He's about the right age for Hedda. Rather good looking, too. I'll have to admit."
"Is he dark or light?" she asked plaintively.
"Who?" asked Sara.
"Hedda's friend."
"Oh, he's dark."
"Has he been married or divorced?"
"Oh, no, I'm sure not."
Sara brought out the card table and took her place across from her grandmother. She devoted an hour every day amusing her and listening to the monotonous flow of her voice. Grandmother was not always engaged in reminiscing. She had a great desire for arranging other people's affairs. Sara had to telephone daily to each branch of the family to find out just what each member was doing. Today she didn't feel like playing cards. She wanted to anticipate all the difficulties attendant upon the coming of Carol Dempsey. She felt sure the young woman would be pale and hallowed-eyed from cruel treatment to which she had probably been subjected.
