#### Pope In Encyclical Denounces Fascisti -And Arbitrary Acts

(Continued from Page One)

"You ask us \* \* what is to be thought about the formula of an oath which even little boys and girls are obliged to take about executing are obliged to take about executing orders without discussion. From an authority which \* \* \* can give orders against all truth and justice. \* \* \* The answer from the Catholic point of view is inevitably only one; such an oath as it stands is illicit."

tion of criminals."

Officials Sympathetic "It is noteworthy," Pope Plus writes, "that even among the officers orders of suppression, there were many who showed \* \* that they were almost asking pardon for doing that which they had been commanded to do. \* \* We have reserved for them a special blessing. But, in and contrast to the manner of these officials, there were many acts of vic-lence extending even to the striking program mapped out by Bishop disbanding Catholic Action) could be structure of the Diocess of Scochester and would have almost necessarily been exceeded. • • If we should be silent • • we would be more unworthy than we already are to oc-cupy this august apostolic chair." The Encyclical denies charges that Catholic Action harbors many members of the outlawed Popular party.

> "Pagan Womhip of State." "We find ourselves," the Pontif continues, "in the presence of facts which reveal . . the proposal already in great part actually put into effect, to monopolize-completely the young and all for the exclu-

pied particularly with the thought shun men who identified incomerves that so many young Catholics have shun men who identified incomerves taken the Fascist oath and are "torwith graff.

party.

The Party Not Condemned that we wis concliable with the name and with the profession of Catholics.

concilable with the name and with the profession of Catholics. ""It the American people continue to be watchers, initiad of doers, the name time accomplished a good work for the party itself, because what interest and success can the narry have in a Catholic country like litaly in maintaining " ideas and practices which cannot be reconciled with a Catholic conscience."

"Everything is definitely promised in answer to prayer; if the answer will not be the re-establishment of serene and tranquil relations it will have its answer at any rate in Christian patience. " The Church of God, which wishes nothing from the State that belongs to the competence of the State, will cease to be asked for that which is of the competence of the Church, the education and the Christian formation of youth. This is not through human favor but by divine mandate, and that which therefore she will always ask with an insistence which cannot cease."

The Encyclical Distributed Many thousands of copies of the Masses in churches in and outside of Rome on Sunday. But no Italian newspaper made any reference to it.

Rome on Sunday. But no Italian newspaper made any reference to it, though the Encyclical caused great excitement and copies of it were eagerly sought everywhere in the land. The assumption is that Musland. The assumption is that Mus-solini ordered the papers not to pub-lish it, or make any reference to it. There is a strong feeling that Mus-solini will answer the Encyclical, and considerable anxiety as to the nature of his answer. Fascist officials are Only a few days ago he said: "They may ask our lives, but not our

German Never Prodomis Although there was a discussion in the use of the German or English language in the colonies, and a motion was made in favor of using the Gerhaps a third of the settlers in Pennsylall the othern from 1700 to 1700.

### New President Of Seton Hill

The Rev. Dr. James A. Wal-Daniel Richard Sullivan,

Greensburg, Pa. July 10 Formal The Pontiff expresses "exquisite announcement was made Sunday of satisfaction" that Catholic organizations of all countries have expressed Reeves, S. T. D., to the providency their "astonishment and grief" to see of Seton Hill College, Greensburg. the society "persecuted and assailed Seton Hill, and Catholic College for the suns content of the suns.

that these organizations have remained docile \* \* refraining absolutely from any and every kind of political activity."

Disbanding of Catholic Action, be declares, "was carried out with the use, of tactics which would give the impression that action was being taken against a dangerous organization of criminals."

Richard Sullivan.

Dr. Reeves has been associated with Science 1920 when he joined the faculty as its first instruction in Philosophy: In 1922 he become professor of psychological laboratory which is now an endowed department of the college. Dr. Sullivan early into of criminals." enlisted his help in administrative duties and in 1924 he was named

vice-president. Since that time he has been active in forming the educational policies of Seion Hill.

Dr. Reeves cultural and educational interests are wide and varied. He is an Associate of the American Psychological Association and Psychological Association, and a member of the American Association of University Professors, the Medi-acyal Academy of America, the British Institute of Philosophical Studies, the Department of Superintendence of the N. E. A., and the University Club and Social Workers' Club of

received in Manaier of Arts degree from St. Vincent College in 1916 and his Doctorate in theology at St. Vincent's Ponlineal Sonleary in 1921. He has pursued graduate research studies at Columbia University, University of Philipburgh, Cambridge University, and the University of Louvain.
