**LIKE LIQUID
PORCELAIN**
Using Lowe Brothers Linduro Enamel is like flowing "liquid porcelain" over the surface to be finished.
It produces a finish that is as easy to clean as a china plate—and one that stands wear and hard use.
It is beautiful and just the enamel to use where the finest result is desired.
LOWE BROTHERS ENAMEL UNDERCOATING, the companion product, Linduro produces the ideal in enameled surfaces.

Make Your Bills Easier to Pay
USE THIS FORMULA

Every household has certain obligations which can be depended upon to be paid periodically. Such obligations include taxes, interest, insurance, and such other obligations.

There is a way to meet these bills that will seem less difficult to pay. All that is necessary is to set them up and divide by the number of payments. The result is what you should deposit every month in your savings account.

This simple procedure enables you to pay your bills easier and promptly, and all the while the money accumulated it saves, division (interest) is being made on the total.
