Let Your Dollars Work For You!

The basis of most fortunes has been a combination of work, thrift, and wise investing. Dollars that are 'lazy' or do not work as hard as they might, should be made to 'step lively' and add to your financial welfare. Here's how to start. Invest portions of your income or savings in the 8% Eight Year Gold Bonds of the Associated Gas and Electric Corporation. Let them know and realize how fast money accumulates when it is given the right opportunity.
