Irish Football Team Is Coming To U.S. in May

New York, April 22.-The Mayo

rovincials, Ireland's champion (lael-football team, are coming to the United States for a series of games the first of which will take place at the Polo Grounds on May 16.
It is expected the New York games will be much harder fought this year than last. A year ago the Irish warriors defeated the New York Gaelle Athletic Association team three straight games. But last year the New York boys commenced to get in trim for the games only a few days hefore they were played. This year more than 350 aspirants have been hard at work trying for places on the New York Gaelle team It is expected that a splendid team will face the Mayo boys when they land here in May.
