# Liturgical Arts

A QUARTERLY DEVOTED TO THE ARTS OF THE CATHOLIC CHURCH

Surely you must know some priest or sister or seminarian to whom Liturgical Arts would be an inspiration! And it is about as inexpensive, and yet appropriate, a token of your esteem as you can find in these hard times. Only two dollars a year for this splendid and beautiful publication! Just clip the coupon and send it in.

Last fail the Liturgical Arts Society—a national, non-profit-making, Catholic' society of America's leading church artists, architects, and decorators—published the first number of Liturgical Arts, a quarterly which has been welcomed far and wide as the most beautifully printed and illustrated periodical in America. Clergy and laity have hastened to acclaim each succeeding number of a magazine whose sole purpose is to restore to the Catholic Church in America that heritage of beauty which has been here for nearly twenty centuries. Praise from the secular press has been as warm as that from the Catholic; and the universal feeling, identical with that quoted at the head of this advertisement from the letter of a Catholic pastor.
