IOW AND WHAT TO SERVE: .In considering labor saving mea consider salmon for the main dish Salmon is unsurpassed for summer meals...dl. may be served either hator cold and is very easily prepared.

In addition, it is usually a favorite with every member of the family, and for another addition, salmon is one of the fish that contains as great ar amount of protein as meat, although in a much more digestible form. It may be used interchangeably with meat with no danger of cheating the family in the matter of food value.
