Meagher's Expert At Upholstering

With the summer months fading fast away and the many activities of pleasure that went hand in hand...

There is only one ending to this little scene. "Pop" and "Maw" go into conference. "Pop" insists that the piece of furniture will go to an upholsterer and come back as good as new.

When all is settled "Pop" wants to know to what upholsterer all the furniture will go for "Maw" replies that that question is the easiest one she ever heard from him to answer.

At Meagher's Upholstering where old furniture is made like new, the man that takes the old worn living room suite, can refinish and return it to you just as splendid and beautiful as any suite you may buy.

Kindness of heart has such an immense role to play in the reconciliation of minds!

Papa: My child, if I should die tonight, are you well prepared to fight the battle of life?

Daughter: I think so, father. I've been through three engagements already.

Spiritual Thoughts

God does not mean you to be a saint in the sense of an extraordinary example to others...

While desolation lasts patience is the one thing. Give yourself to prayer, even if you can only kneel as before a stone wall...

Never, never be afraid of God. Do not let anything or anybody ever make you afraid of Him...

Feelings are not to be considered in the spiritual life. God does not look to the feelings but to the will...

Do not contemplate your sins in yourself, but see them as things standing between you and God...

Love the Sacred Heart, and you will always have peace which surpasses all understanding.

Whenever you feel a natural aversion to anyone, pray for that person.
