There is a positive need for qualided Catholic creative writers in this
country, the Rev. Wilfrid Parsons,
who stated that in the minds of
Catholics there is a hermetically
tional Jesuit weekly and one of the
editors of the Catholic Book Club
modifing in St. Bernard's Seminary.
doctrine and the other containing the
Sunday evening. Faculty members of
the Seminary were present for the
lecture. Father Parsons came to
Rochester to conduct the annual Relecture, at Nazareta College on Munday
doctrines, this influence will permeate

Rochester to conduct the annual Retreat at Nazareta College on Manday and Tuesday, this-week.

Father Parsons, brilliant, profound, energetic and actionarily, spoke from his experience as editor and writer of the requirements for those who desire to write and can write. He atressed the importance of timeliness and fact presentation against abstract composition that does not ceach the consciousness of the average reader.

Intensive reading, hard work in acquiring an easy style, full knowledge of a subject to be written, and a realization of the acceptance by the

a realization of the acceptance by the and for secular book publishers was render of what is to be written were discussed at length by the speaker. some of the points urged for the He suggested writing on neutral subjects as a means of gaining the conaccepted. He emphasized the quality of influence which should be exerted by writings if they were to serve a land secular newspapers as a practice by writings if they were to serve a land secular newspapers as a practice by writings.

He discussed poetry, book, and ing. In sending manuscripts to the magazine writing. The writer with secular press, he suggested friendli-talent should be encouraged he said noss be employed in the tone of such and pointed out the many difficulties writing. that beset the talented young man in the field of Catholic writing. He said frankness should be exerted in telling the telepholes writer, especially in the field of poetry to take up some of the modes were

other endeavor.

Speaking of the publishing of books of a Catholic tone in this country he pointed out the vicious circle existing in the fact that the publisher of books must have readers and to have readers there must be qualified ish laid plans for a social to be held writers to produce the books. In England this problem has been solved by Francis J. Sheed, wellknown Catholic publisher whose Catholic books—have a wide sale. Father Parsons commended the self-sacrificing wirls of Mr. and Mrs. Sheed who in the beginning under-went many difficulties to succeed as atholic-book publishers.
