# CATHOLIC BUYING POWER

AND ITS INFLUENCE ON THE CATHOLIC PRESS

Despite the very enormous circulation of the Catholic press as a whole in this country, it has been neglected by many of the leading advertisers. As a consequence it has suffered financially since most publications depend upon advertising revenue for their extence. With every inch of advertising used in our press Catholic influence becomes so much stronger.

The Caleolic Press Association is sponsoring movement to obtain the cooperation of Catholic readers to patronise advertisers who support our publications. You are one of the \$647,066 subscribers of our Catholic Press Your influence is important and your superchasing power added to that of each supercher creates a market probably unappeal by any other class of consumers. All lings being equal you sould in many in-stance favor advortisers using our press.
