St. Bernard's Commandery, 272

St. Bernard's Commandery, 272 of St. Francis Xavier's Parish, was named after the late Rt. Rev. Bishop Bernard J McQuaid, D D, and is the second youngest commandery in the First Regiment of New York.

The pastor of St Francis Xavier Parish, the Rev. M. J. Hargather, at the opening of the fair for the benefit of the church, August 24, 1895, at which the Knights of St. John attended, expressed the hope that some day he would see a commandery in his parish.

His wish was granted and on October 3, 1895, Father Hargather called a special meeting of the young men of the parish and organized St. Bernard's Commandey with 22 members. First officers were: President, John A Maier; first vice-president, Adolph Bott; second vice-president, Edward Krapf; secretary, Peter J. Nagle; financial secretary, John Metzger; treasurer, Casper Sholz; trustees, Charles Schmidt, Joseph Haefner, A Huhn, Joseph Krapf and Matthew Kuhn; military officers, Captain John Diringer; first lieutenant, John Maier; second lieutenant, Matthew Kuhn.

On October 17, 1895, a charter was granted and the commandery was instituted by State Organizer Jacob J. Nunnold. In the second year of existence, hard times caused a set back and the Commandery was reduced to 16 members. After a long and hard struggle the membership increased and today there are 60 active members wth 47 of them uniform members, 14 social and one honorary.

The present officers include President, G. F. Huhn; first vice-president, Louis J. Kuhn; second vice-president, Richard Kasman; recording secretary, George M. Kassman; financial secretary, Charles P. Miller; treasurer, Cornelius Kuhn; trustees, Frank Mathis, Albert Kuhn, Christ Dats, Peter Muraighn, Richard Kassman; captain, Joseph Dreschler; first lieutenant, Albert Kuhn, and second lieutenant, Alfred Schreiner.

Parochial League Getting Ready For Another Season; Plans New Features

With the call of baseball being heard throughout the land comes the announcement that the Catholic Parochial School League is getting underway. The Columbus Civic Center is again sponsoring the league. The Rev George Vogt will act as President The prize for the championship team will be a stay at Camp Stella Maris on Conesus Lake.

New features are being planned this year. Various laymen and priests have advised the league offi cials to ask for prizes in the different departments. These prizes may be offered for the best boy in the league or on the parish team

The first offer of a prize has been made by the Rev Joseph Vogt of St Boniface Church, a silver trophy for any boy in the league who gets the most home runs. Other offers are expected. Address communications to the Columbus Civic Center in care of the Rev George Vogt or the Rev. Gerald C Lambert

Other suggestions made are that Catholic men who knew baseball coach the parish teams and direct a team during the games; that different societies in the parish sponsor the local team, buy them suits, offer prizes, etc., and that everyone who attends the games show good example.

Commenting on this, league offi cials stated this week: "Even if it is your boy who is called out, side with the decision of the umpire Remember the League is primarily to train the boy to be a good sport and to be a good sport includes being a good loser. The league is assured of success with the co operation of Father Lambert who has done much for Catholic sports and for the league."

Applications for the league will be received by the pastors during the next week, the schedule will follow later. Any suggestions for the betterment of the league will be kindly received at Columbus Civic Center

De Sales High

By JOHN TOOLE

Impressive ceremonies marked the reception of sixty-four new Sodalists into the Sodality Friday evening, March 31, in the school study hall, Geneva. On the platform was a statue of the Blessed Virgin, the central object of interest, about which clustered bouquets of flowers and a number of ferns. Rows of lighted candles in the back completed the picture and gave a look of added solemnity.

The Sodality prefect then addressed the Sodalists on the keen interest the Blessed Virgin was leaving in their being consecrated to her. He said, "Mary is especially pleased that you are to serve her in her Sodality. Singular privileges are yours as Sodalists of Our Lady." He also warned them that theirs was a great honor and Heaven was watching for the moment of their consecration and expects them to be worthy of their dignity. After the blessing of the medals, the sodalists rose in their places and answered questions put to them by the prefect and which related to their duty in the Sodality and the faithful accomplishment of all the practices and devotions therein. They then recited the Act of Consecration to Our Lady by St. Francis De Sales and St. John Berhmans. After the reading of the ritual, Sodalists marched in single file up to the platform where they were presented their medals by Father Ball. They returned in like manner to their places and the reception was completed.

The meeting was in charge of the Publicity Unit and besides the receiving of the new Sodalists, included five well prepared talks given by members of the unit on topics of interest. Rev. John Guy, who was guest speaker of the evening, gave an inspiring talk on the Blessed Virgin. The meeting closed with the singing of the hymn "Holy God."

Members of Court Geneva Catholic Daughters of America, are busy preparing for their annual Easter Ball to be given in the State Armory on Easter Monday night Miss Eleanor Hoffman is general chairman of the event which is considered one of the social high lights of the season.

The first prize of the recent poster contest sponsored by the Publicity Unit of the Sodality was won by Carl Divliney. The posters presented by the contestants were of such excellence that it required nine fair-minded judges to reach a decision.

Lenten services at St. Francis De Sales Church are held on Wednesday evenings. Rev. Bernard Hanna and Rev. John Healy are assisting the pastor, Right Reverend Msgr. Walter J. Lee, in preaching the sermons The Way of the Cross is held on Friday evenings.

The Nocturnal Adoration Society held a meeting Thursday evening at 8 o'clock in the Knights of Columbus building, at which time the election of officers for the coming year took place.

The members of the Holy Name Society of St Stephen's Church will receive Holy Communion in a body, Sunday at the 7.30 o'clock Mass A large attendance of nearly two-hundred devout members is anticipated.

The *Catholic* World Over

Cheyene—Word has been received here of the appointment of the Rev. Gerard Schellinger, pastor of St. Joseph's Church and chaplain of the Wyoming State Penitentiary at Rawlins, to the post of vice-rector of the American College of the University of Louvain, Belgium. Father Schellinger, a native of Holland, studied at the American College in Louvain.

Badajoz, Spain—Because they exercise a religious influence over their charges, the Sisters of Charity are to be withdrawn from the schools for little children, according to a proposal passed by the council. A motion raised by a Socialist that crucifixes be taken down from the hospitals and that the daily prayers there be stopped, was defeated.

Mexico City—The Rev. Julio Vertis, pastor of the Church of the Carmel in the city of Torreon, State of Coahuilas, was distributing toys and candy to the poor children of his parish at the home of one of his parishioners, when he was abused by an intoxicated police officer, who threatened to arrest the pastor. Neighbors and parents of the children prevented him from doing so. When Father Vertis reported the matter to the proper authorities, he was immediately fined 50 pesos and put under arrest. Further investigation gave him his release but the fine was not restored. The offending officer was not fined.

Chemistry Degree Will Be Given At Niagara University

Niagara Falls Final approbation to bestow the degree, Bachelor of Science in Chemistry (B S in Ch), in her undergraduate department has been received by Niagara University from the Stiae Department of Education, according to an announcement just made by the Rev Francis L. Meade, C.M., M A, Dean of the Colleges of Arts and Sciences

Father Meade was in receipt of state sanction shortly after a recent conference in Albany with Harlan H. Horner, Ph D, M A, connected with the education branch in Albany

Recognition of Niagara's new degree makes her one of the six educational institutions in the state empowered by state authority to grant such a degree.

The new course has been designed to fit one principally in the field of chemistry and should appeal to those interested in industrial chemical branches of study or in studying for a higher degree or in the field of college teaching. Due to the great number of chemical plants situated throughout Western New York there should be an added appeal to students residing in the proximity of the university who hope to enter such professional fields after graduation.

The student enrolled in the new course, upon completion, can qualify for entrance into all professional schools such as medical, dental and law schools, and, if he so desire can become eligible for a state teacher's certificate upon the fulfillment of additional requisites in the education course.
