Cologne, Sept. 4 After having suffered for four and a half years of atrophy of the bone in her left leg. and having received over 300 h vno dermic treatments. Frank Katharina Willmann, 56, of Multerstadt in the Palatinate, apparently was suddenly and miraculously cured while she was admitted to touch the Holy Cloak of Our Lord which is now exposed to the veneration of the faithful in the Cathedral of Treves

For some time Frau William had been able to walk only on crutches. She suffered excruciating pain and had already been given the last Sac raments. Her physicians said that her case was hopeless Holy Cloak of Our Lord was exposed. she decided to apply to the Most Rev. Rudolf Bornewasser, Blahop of Treves, for permission to touch the

One after the other of the sick was ad. mitted to touch the Holy Cloak. When her turn came Frau Willmann was suffering intense pain. Then she touched the relic. It is reported that immediately the cane upon which she was leaning fell from her hand and she cried out loud:

"I can stand by myself! I am She stepped down from the alter without any further help, according to the reports, all the palnyhawing suddenly disappeared After leaving the Cathedral she slepped into a street car all by herself, without

crutches or canes, it is said Three more people were reported cured in the Treves Cathedral on the same day after having touched the Holy Cloak. The Bishop of Treven has ordered a thorough examination of all the facts before making offi citi pronouncement.

Among the many pillsrims who have visited the Holy Cloak was Therese Neumann, the stigmatized girl of Konnersreuth, Bavaria. She was accompanied by her pastor

one of her brothers. The veneration of the precious relic is being closed September 10 It is estimated that the total of pilgrims who will have come to Treves for this solemn occasion will be a least 2.000,000. Besides the pil-
