SODAL TALK

Recording the Activities of Rochester Parish Sodality Union

Union meeting has come and gone. A fine delegation from over 15 of the Rochester parishes attended.

The meeting was opened with prayer led by Father Fox, Director of the Union. Father Fox also welcomed the delegates and encouraged them to take active part in the meeting.

We heartily enjoyed Miss Ann Brennan's resume of the Summer School of Catholic Action. It was complete and enjoyable, full of valuable hints and ideas.

We are looking forward to Union meeting next month. Father Ryan of Cathedral Parish has promised to show the delegates the moving pictures of the Sodality Convention and the Sodality Union picnic held at Marcella Sigler's cottage on Conesus Lake.

Congratulations to Miss Mildred Magin recently elected president of Holy Apostle Sodality.

We extend a special welcome to the delegates from parish Sodality Union—Annunciation, Corpus Christi, Our Lady of Victory parishes.

On October 11, St. Boniface Sodality is holding a card party and dance. The proceeds are to be used for parish work.

Cathedral Parish Sodality took an active part in the parish bazaar. The Sodality had charge of a needlework booth. In fact, the Sodality made the articles which in our humble opinion deserve great credit.

Sacred Heart Sodality is holding a meeting Monday evening. Plans are on foot for an old clothes party in early October. The party will close with a grand marshmallow roast at Maplewood park to the tune of all the old familiar strains.

East Rochester Sodality is planning a corn roast at the Oxbow. Father Vogt is to be guest of honor.

St. Mary's Sodality is doing some splendid work in parish visiting and obtaining new members in the Sodality. The Apostolic Council...

The Catholic Women's Club Chorus will open its season on Tuesday evening, October 10, with an informal supper and cards at the Club House.

Mr. Theodore F. Fitch has again been engaged as director, and consideration is being given to the production of a light comic opera at the close of the season.

Meeting weekly on Tuesday evening at the Club House, one hour is given to vocal exercises and the study of song production and another hour to vocal rehearsals.

Registrations are now being received at the Club House for Tuesday evening class in French for students who have had a very limited training in that language.

When making hems, cut a piece of cardboard the exact width of the hem and about six inches long and use as a marker; start the hem; insert the card and slip it along as you work; this insures hems of exact width and saves time.

Thus the rounds of activities have begun. Bits of Sodality news and happenings will come to you each week in this special column of Sodality activities from the pen of Sodality, the chatterbox.
