Widmer's Wine Products Seen Conducive To Health

The beneficial properties of wine as a mild stimulating tonic in the case of run-down and nervous conditions is well recognized by the medical profession. To Widmer's pure old wines are added the proper medicinal ingredients to increase vitality, minimize susceptibility to disease and build up the system.

Where it is important that the di tritious properties of the protein form which it is derived is partially digosted, thus creating less demand on the digestive organs.
